County Budget

An amendment to raise the fee per truck per year for out-of-state users was adopted.

Troop Objects

Joseph Troeckler, Chouteau township supervisor, violently objected to use of the Chouteau island landfill by Missouri firms, and attempted to attach a prohibitive fee of \$1000 per year per truck for out-of-state business.

He complained that out-of-state trucks were littering the highway with garbage and trash and that the landfill was not being properly operated.

Gerald McGivern, assistant state's attorney who assisted in preparation of the ordinance, said the \$1000 fee would be illegal.

Robert Miller of Alton claimed that it is "morally wrong" for Missouri to make Madison County their dumping ground and moved that the \$1000 fee amendment be adopted. It failed on a 37 to 10 vote.

Troeckler then asked supervisors how they would like their townships to be made into dumping grounds. Other objects complained that the landfill ordinance would be difficult to administer, one said it would not be enforced and a suggestion was made to lay over for six months. It is to take effect on June 1.

Salary Inequities

During a debate over salaries, inequities between amounts paid to employees in different offices doing similar work was pointed out. Miss Evelyn Bowles, president of the county highway board, reported that the inequities are as much as \$57 per month and that among various deputies, they are as much as \$70 per month. The local, which sought \$40 monthly raises, agreed to accept \$25.

In other action on the board:

Employee Lee R. Schlemmer, assistant in the county highway department since 1944, as the county highway superintendent to succeed H. A. Kluge who retired effective Dec. 31. His salary was set at \$15,000 per year for the first year, with \$1000 annual increases during a six-year term. Another \$1500 per year was appropriated for his expenses. Kluge's previous salary was \$16,500.

Hired William L. Beatty of Granite City as the bonding attorney and Fust-Schultz & Co. of Alton as the fiscal agent for the county's juvenile detention home issue.

May Buy Building

Authorized the state's attorney to form a contract to purchase and remodel the old Edwardsville post office building at a cost not to exceed \$24,000, payable in a 10-year period. Plans have been made to borrow the money from county banks and to buy the property itself for \$74,000. Interest is not to exceed 6%.

Authorized an agreement with the city of Edwardsville to lease property adjacent to its probation building, the old Knights of Columbus home, to provide parking for 70 autos for county employees and jurors at a cost of \$136 per month.

Hear a report from Theodore Milleson of the Southwestern Illinois Metropolitan Area Planning Commission on county building needs for the next 20-year period.

He primarily recommended that the county erect a new county jail to provide for sheriff's office, erect a second administration building at the site of the old county jail and to remodel the old court house for court and related purposes. The cost was estimated at \$6,000,000, with a Public Buildings Commission to be established.

Increased rates for patients at the county nursing home from \$175 to \$200 per month.

Hear a report that the Dr. W. W. Billings, county coroner, showed excess fees of \$246 in a six months period, the first time his office showed a profit in six years.

Madison Rotary Selects 5 Yule Lighting Winners

An increase in the number of Christmas home lighting displays this year in Madison was noted by judges who toured the community last night and selected five Madison residents as winners of the 1966 exterior decorating contest.

Winners of the five first-place awards, who received \$20 cash prizes, are:

Pete Skundlich, 1617 Elizabeth street; John Yurko, 1021 Alton avenue; Mike Bero, 1820 Fourth street; Ronald Grzyzak, 1204 Alton avenue; and Mike Dutko, 1678 Second street.

Judges commented today that a great deal of time and effort had been expended to produce many of the attractive seasonal lighting displays observed, making a tour through the community well worth the time of local residents.

The traditional contest is co-sponsored each year by the Madison Rotary Club and Illinois Power Co.

Sheriff's authorities are seeking two men who beat and apparently robbed Len Edwards of 2121 Grand avenue early this morning and dumped him out of his cab a quarter-mile south of the Arlington golf course. Deputies have been unable to talk to the victim.

Mrs. Howard Steel of Arlington Heights called the sheriff's office at 1:10 a.m. and said a man was at her door asking for help.

Deputies said they found Edwards at the Steel home and that he had been beaten severely about the head. Edwards was taken to St. Elizabeth Hospital by ambulance and treated for multiple cuts to his scalp and right ear and abrasions to his head and neck. He was admitted to the hospital.

Deputies reported today they learned Edwards was sent to Bowling in Mitchell where he picked up two men. The cab, wrecked against a tree, was found by deputies in a search of the Arlington Heights area after Edwards was taken to the hospital.

Eye Glasses Found By School Pupil

Mrs. Richard Houston, 2816 Ralph street, reported that her son, Larry found a pair of eyeglasses on the way home from Niedringhaus school yesterday in the 2900 block of Iowa street.

Mrs. Houston described the eyeglasses as having black plastic frames and bi-focal lenses. The person who lost the glasses may obtain them at her home.

have already seen for themselves."

The Bookmobile visits 14 Granite City schools on a three-week schedule. It does not go outside of Granite City into other parts of School District 9 because the library operation is a municipal one.

The unit operates the same as the downtown library. Youngsters have their library cards and check their books in or out. If they wish, they can check books into the downtown library before the Bookmobile completes its three-week run.

"We are looking for our biggest year this summer," Foster said, "because we now have air conditioning. That old cab really got hot in the summer."

During summer months, children have a schedule of the Bookmobile operation and are on hand waiting for the unit to pull into the school, Foster said. We make the same regular runs then we do when school is in session during the fall, winter and spring.

The younger they are, Foster commented, the more enthused they are. It seems as if, to them, it is a big step toward growing up.

2 Mayors Appeal For Equalization Of Assessments

Mayor Partney of Granite City and Mayor Clyde Wiseman of Alton appeared yesterday before the county board of review at Edwardsville yesterday and appealed for equalization of property assessments in townships adjacent to their cities.

Both mayors complained that property in their cities is being assessed at the near 50% mark, while in adjacent townships, the valuations dip as low as 30%.

Mayor Partney explained that in cases of school districts overlapping more than one township, such as the Granite City district in Chouteau and Nameoki townships, that Granite City is paying greater amounts of taxes to the districts and supporting the lower assessed areas.

With the threat of a state-applied equalizing multiplier for the entire county that would increase taxes paid by municipal property owners, the mayors requested equalization of township assessments.

The review board has sent letters to the supervisors of Nameoki, Chouteau and Godfrey townships calling for property values to be equalized with other townships next year.

The session was arranged by the East-West Gateway Coordinating Council to permit an across-the-board discussion between technical representatives of industrial interests and those supporting the Interstate Air Study as the basis of an air pollution control ordinance covering both sides of the river.

The Gateway Council, scheduled last week to adopt an air pollution control ordinance, held a public hearing on the ordinance last week when seven of its voting members, six of them from Illinois, filed a memorandum of exception in which they stated support of goals of the control program but opposed some standards of limitations which, they said, would work a hardship on industry.

Upon delaying passage of the ordinance, Lawrence K. Roos, St. Louis county supervisor and chairman of the Gateway Council, proposed an open hearing to permit technicians from both sides to air their respective proposals and the technical data to support them.

The council will meet again on Jan. 11 to consider results of the technical discussions and possibly to act at that time on the proposed control ordinance. Roos and Mayor A. J. Cervantes of St. Louis have announced they intend to proceed with adoption of ordinances based primarily upon findings of the Interstate Air Study.

Industrial objections to some pollutant standards have been spearheaded by the Industrial Waste Control Council which has presented extensive testimony before the Gateway Council in a series of public hearings held in September and October.

Donald Cairns, plant engineer of the blast furnace department of Granite City Steel Co. and president of the Waste Control Council, has pointed out repeatedly that industry has no objections to the goals of the air pollution control program and that industry considers itself foremost in the effort to eliminate air pollution.

Industry maintains, however, that under certain standards of the Interstate Air Study, the expenditure of many additional millions of dollars will be necessary over and above the amount necessary to comply with the clean air program submitted by industrial interests.

Earlier in the meeting, the council approved an agreement with the U. S. Housing and Urban Development Agency on the handling of a \$1,500,000 grant of federal funds for a \$3,450,000 sanitary and storm water sewer project. The grant has been approved, subject to the city submitting proof that bonds have been sold and delivered to finance its share of the project.

Other letters from HUD stated that federal funds would not be available for two other applications for grants. Sternberg explained the city submitted several applications in its effort to secure federal funds. Those refused were for a straight sanitary sewer project for areas without sewers and the other for paving the Nameoki area storm water ditch.

JC's Hold First Meeting In Renovated Firing Range

Fifty-two members attended the Granite City Jaycees first regular meeting at the "Jaycee Building," formerly the Granite City police department firing range, on Spruce street last night.

The building and adjacent land was leased to the Jaycees by the city, with approval of the city council, after its use as a firing range was ended by right-of-way construction of Route No. 151.

Members closed in the portion of the building left from right-of-way construction, secured

leaks in the roof and redecorated the building. During the meeting Jaycee Ronald Pennell was awarded the Jaycee-of-the-month award as chairman of a membership drive.

Also during the meeting, Jaycee President Boyd Presley expressed gratitude to the city for making the building available to the Jaycees. "We have been trying for many years to either buy a building or construct one for our meetings, but either prospect was very dim—all the Jaycees heartily thank the city council for their decision," he said.

IRS Suggests—Start Gathering Tax Data

Now is the time to put your financial house in order and get a head start on the income tax filing season which begins Jan. 1, Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, emphasized today.

He said cancelled checks, receipts, records of contributions and other financial records should be gathered now to help prepare 1966 Federal income tax returns.

Complete records help to insure that taxpayers do not overpay their taxes and also make the job of preparing the tax return easier.

Philpott said that a copy of your 1965 return is one of the best guides for preparing your 1966 return.

This evening, the organization will present treats to 170 children of the two homes and 100 Senior Citizens.

County EOC Board Approves Service Center Program

A county-wide Neighborhood Service Center program, costing \$215,000, including federal funds amounting to \$182,232, was authorized Monday evening at Edwardsville by the Madison County Economic Opportunity Commission.

If approved by the Office of Economic Opportunity in Washington, D.C., the project will establish five principal service centers in major target areas within the county, including two in the Quad-Cities and three in the Alton area.

Negotiations currently are under way with the owner of a building at East 24th and Kate streets in the East Granite area, while two buildings are under consideration at the West Madison constant sites in the vicinity of Dunbar school in North Venice. Present plans also call for the Tri-Cities EOC office at 900 Main street, Venice, to be revised into a "satellite station," serving the South Venice, Kerr Island, and Eagle Park areas. Establishment of a station in West Granite also is being planned.

Staff Training

David Walker, county EOC assistant director, who will head the neighborhood service center program, said today that a further \$12,000 to \$15,000 will be added to the project's total cost if contractual agreements are reached this week with representatives of Southern Illinois University-Southwestern Campus to train staff members and other workers at the five centers.

Walker outlined the entire neighborhood center program at Monday night's meeting, attended by more than 50 EOC commissioners. A lengthy discussion, relating to specific portions of the proposal, ensued prior to approval.

Representatives of local action councils and improvement groups displayed keen interest in the manner to be used in recruiting and hiring non-professional workers at the centers.

Suggestions offered resulted in a special provision being included in the program paper for groups to recommend and refer potential staff members to the commission's personnel committee.

47 Staffers

A total of 47 staff members will be employed to operate the five centers, Walker said. This group will be augmented by about 40 volunteer workers. Both the volunteer and non-professional employees will be recruited from among residents in the neighborhoods adjacent to the centers, the assistant director said.

Salaries of some key personnel will be funded through other EOC programs already in existence. Walker reported, such as "On-the-job" training counselors, Neighborhood Youth Corp advisors, Legal Aid Services and

Youthpower Meeting Set by Farm Bureau

Madison county high school students will attend a district Youthpower conference Jan. 7 at Sunset Hill Holiday Inn to hear an outline of the program for 1967 under the sponsorship of the Illinois Agricultural Association, county Farm Bureau and business firms.

Attending from this area will be Sharon Maurer, 633 Washington avenue, and Stanley Williams, 399 Slough road, both of Venice. Others may apply to attend.

More than 1000 Illinois high school students annually take part in the Youthpower program and develop projects aimed at helping fellow students learn about good nutrition and careers in the food industry.

Teenagers who excel will be awarded an expense-paid trip to the National Youthpower Congress March 29 to April 1 in Chicago. Illinois is eligible to select 16 boys and 16 girls who conduct projects based on either "Food for Health and Fitness" or "Food Careers for Your Future." Students 15 to 19 interested in the program may get information from County Farm Bureau, 600 Hillsboro avenue, Edwardsville.

Mary Louise Thompson of Granite City was granted a divorce from John Robert Thompson Tuesday by Associate Judge Fred P. Schuman in the Granite City division of circuit court. Desertion was charged. They were married Dec. 19, 1956.

Hit-and-Run Accident

Walter Shurman, 2555 Cleveland blvd., reported at 10:40 p.m. Monday that a hit-and-run driver struck the front of his auto, while it was parked on the Tri-Mor Bowl lot.

Illinois Youth Commission personnel

A large percentage of the program's overall cost will be expended for center operating staffs, amounting to \$165,618 of the total budget, Walker explained. He said the figure includes proposed salaries of four program specialists, two public health nurses, home improvement and family service specialists, center supervisory personnel, clerical help, janitors and non-professional staff members.

Walker stressed to the commissioners that while the program has taken several months to formulate, with considerable revision and refinement due to budget cuts, etc., the county EOC officials now believe it to be a fine proposal, offering extensive service to those most in need. The application will be submitted to federal authorities late this week, he added.

In other business, several new commission members representing local improvement groups were officially seated at the meeting.

Those from the Quad-Cities

approved as members, include Mrs. Louise Anderson and Mrs. Corine Siles, Lee Wright Homes Improvement Club; Mrs. Magnolia Jones and Mrs. Sally Blakely, Eagle Park Anti-poverty Association; Mrs. Odessa Bridges and Corcoran Williams, Washington-Jackson Streets Block Unit; and Mrs. Sarah King and John Thomas, Franklin Street Block Unit.

GC Rotary Attendance 2nd; Madison is First

A well-attended Rotary Club meeting heard Attendance Chairman Herbert Schermer report Tuesday that the Granite City club enjoyed meeting attendance during November that placed it second on the list of all 55 clubs in the district.

Number one on the list, Schermer reported, is the Madison Rotary Club, which gives the Club picnic area first and second place for attendance at club meetings during November. Forty-five members attended the Tuesday luncheon session in the YMCA.

Club members also received their annual bellringer assignments for Friday when members will take over all Salvation Army "Tree of Lights" Christmas kettles. Rotarians will attend the kettles from 5 until 9 p.m. tomorrow.

James Louis, club song leader, taught the members a new bellringer song written by A. C. Stever. President William Thoeke reported on the recent meeting attended by several Rotarians at which Richard Evans of Salt Lake City, International Rotary President, was present.

Crisher-Jamerson Nuptials Tuesday at Church of Christ

The wedding of Miss Gayla Jamerson, a daughter of Mr. and Mrs. Harvey Jamerson, 2127 Monroe street, and SP 4 George O. Crisher, son of Mrs. Laverne Crisher, 2628 Delmar avenue, took place Tuesday evening at the Pontoon Beach Church of Christ.

A program of wedding music was furnished by Miss Brenda Dawes, organist.

Both young people are graduates of the Granite City high school. The bride is employed at a St. Louis bank. SP 4 Crisher, who has been in service 13 months, will leave Jan. 14 for Vietnam. He was previously stationed at Fort Jackson, S. C.

Before entering service he was an employee of the American Steel Foundries.

Her shoulder-length veil was held in place with a petal-shaped headpiece of satin and pearls and she carried a cascade bouquet of white gladioli.

The only attendants were Miss Rebecca Carson and Dennis Sturman. Dan Jamerson, a brother of the bride, and Dennis Dix served as ushers.

The bridesmaid was attired in a floor-length gown of orchid chiffon over a deeper shade of satin. Her flowers were white gladioli.

Class Party**

The Mary Martha class of Third Baptist Church held a Christmas party Tuesday evening at the Colonial Inn in Alton.

Mrs. Pauline Weir, class president, welcomed the group and dinner was served at decorated and candlelight tables.

Games were in charge of Mrs. Juanita Keltner, with prizes going to Mrs. Alberta Miller, Mrs. Alice Smith and Mrs. Weir.

After an exchange of gifts, carols were sung with accompaniment by Mrs. Peggy Phillips. "Rejoicing" was the topic of the devotional service led by Mrs. Jane Raphael, a guest.

Others present were Mrs. Lorena Sherry and Mesdames Laura M. Piles, Alpha Holmes, Ruth Hopkins, Florence Simpson, Lillian McRaven, Nancy Turner, Hazel Atchison, Lexa Holston and Mrs. S. M. Wilson, the teacher.

NIEDRINGHAUS BROWNIES HOLIDAY PARTY

The Niedringhaus school Brownie Troop 330 final meeting of the year and Christmas party were held Monday afternoon at the school.

Jackie Hudson, president, opened the meeting with the flag pledge, and the Brownie Promise was followed by the troop members singing "Silent Night."

Barbara Weldon, secretary, took the roll call which was answered by each scout naming her favorite Christmas song. Brownie Gold was collected by Magdalene Frymko. Roxann Jackovich was named birthday queen.

After games and carols, refreshments were served by Mrs. Mary Frymko, leader, Mrs. Joyce Lawson, co-leader, and Mrs. Mary Elmore, committee mother.

A gift exchange was held and the meeting closed with taps.

Present were Barbara Baumberger, Sue Ann Culp, Anastasia Elieff, Debra Elmore, Margaret Guay, Nancy Greer, Terry Hawkins, Kathy Lawson, Rebecca McCommis, Carol Smith, Robin Stanton, Brenda Fanning, Susan Thompson, Kathleen Stacy, Terrilyn Randell, Dana Hutchins and Debbie Davis.

ACES 8 CLUB HOLDS CHRISTMAS PARTY

The Aces 8 Club Christmas party was another such event taking place this week. The party was held Tuesday at the home of Mrs. Margaret Rimarchuk, 4086 Stearns avenue, and the members took part in games and exchanged gifts.

Dinner was served later at Tony's restaurant. Among those attending were Mesdames Bertha Pritchett, Bertha Becherer, Frances Wade, Mildred Roberts, Cecilia Loyet, Clara Schilling and Catherine Moser.

JUG HARRISON of the MADISON BOWL

reports:

VISITING V.I.P. AT THE MADISON BOWL
Dal Maxvill, shortstop of the St. Louis Cardinals, we're hoping for a big year for Dal. He's real deserving and a great asset to our community.
Ray Huff, who is pounding the ivory keys at the Coachlight, you've got to see his terrific night of entertainment. You've got to see his show Fri., Sat. or Sun. nights.
John Maeras, newly-elected treasurer of Madison County. John is looking forward to an outstanding job as county treasurer.

CELEBRATIONS OF THE WEEK AT THE MADISON BOWL

Ida Dant, Twila Edmonds, Mary Bridick, Vi Bader, Mrs. B. Bevil celebrated the birthday of Dot Jones, one of "Quad-Cities" outstanding bowlers and, we hear, a good golfer. I believe she said it was the "29" one. Dot, if you break 85 at the Arlington Golf course we'll give you a free membership at the Golf Club.
WE GOOFED: We forgot to report that Dave of Dave's Lounge was married last week. Dave, tell your lovely wife that we have a bottle of champagne for her. . . . Congratulations.
The Golden Greek, owner of Roxy Tavern, had a big birthday for Mae "Cornob" Jones. On the menu was Bar-B-Q Pig, Lamb, and Chicken, Schlitz beer and the champagne flowed freely.

AWARDS OF THE WEEK

The boys at the Den heard thru the grapevine that Lyle Tatum, owner of Western Auto, will receive the "Most Congenial" award from the bartenders and waitresses in the area.

ANNOUNCEMENTS

Tony Anselmo, genial host, owner of Tony's & Joe's, and his lovely wife, Vivian, are having a great time entertaining Tony's mom and dad from Italy. Tony says "They like our big country."
Peggy Burch, one of the area's best dressed and energetic workers for the G. C. Democratic ladies, was in for an ad. How can you say no to her? She was accompanied by two good friends, Red Worthen and Welden Burch, a couple of real nice guys. We hear the dance was a real success.

ELIGIBLE BACHELOR VISITORS

Lloyd "Lightning" Larsen, who is the area's most rabid Cardinal fan, Ed "Give the house a drink" Dubish, president of Madison County's largest institutional supplier, Paul Lunsford, owner of Modern Furnace, who the boys are betting will lose his status soon because of a vivacious blonde named Marilyn Champion. Some have it and some don't.

HEROES OF THE WEEK

Pete Shemonia had a 633 last week. Pete does an outstanding job at bowling and a nice guy, with it.

GC Grapplers Win 3 Meets Tuesday

Warrior mat men won three meets, one varsity over Edwardsville 42-8, and two JV meets, back-to-back, over Edwardsville 28-15 and Belleville East 26-29 Tuesday on the Granite City mat. The Junior Warriors were pitted against Belleville East's varsity squad, but still squeaked a one point win after wrestling Edwardsville.
Warrior varsity pins in the Edwardsville meet were recorded by Bill Fuchs (103) at 1:30, Jan Gilcho (112) at 2:28, Ed Milton (120) at 1:20, Jim Wallace (180) at 3:42 and Mike Middleton (HW) at 3:45.
Warriors winning on points were Bill Gibson (127) 8-2, Jerry Lapinski (138) 5-2, Bruce Illies (145) 11-3, Ray Hankins (154) 8-8 and Ernie Schwendemann (165) 8-1.
Junior varsity falls, against Edwardsville, were made by Warriors Mike Christopher (112), Mike Hamilton (127), Mike Tharp (138), Dennis Garver (154), John Hommert (180) and Kenny Prince (HW).
Gary Oxford (112) and Drew Shands (138) pinned their opponents in the Granite City-Belleville East JV meet. Other Warriors winning were Bruce Crisp (120), Dempsey Cross (138), Dennis Garver (154) and Tom Niebur (127) finished his match in a draw.
Mike Henderson, Marty Douglas, Pat Brees, Ricky Buckingham and Denny Holloway lost their matches to Edwardsville opponents.
The Warrior wrestlers who are now 4-0-1 will take a break for part of the holidays, but will compete again during the Granite City Holiday tournament scheduled to begin on Wednesday, Dec. 28.

GC to Host 11 Teams In Holiday Tournament

Eleven teams will compete for honors in Granite City's sixth annual holiday wrestling tournament Dec. 28-29.
Other schools competing are: Argenta, Bloomington, Champaign, Decatur, East St. Louis, Edwardsville, Mattoon, Peoria-Richwoods, Southwestern and Wood River.
Defending champions Granite City have won all but one of the tournaments, losing to Sterling in 1963.
Bill Fuchs (103) is the only returning Warrior champion from last year's tournament where he finished first in the 95-pound class, and finals will be held at 3 p.m.

Varsity Holiday Cage Tournaments Begin Monday

The three Quad-City varsity basketball squads Granite City Warriors, Madison Trojans and Venice Red Devils will participate in cage tournaments over the scheduled Christmas school holidays beginning on Monday, Dec. 26.
Venice, at the O'Fallon tournament, will participate when they play Red Bud the day after Christmas at 10:30 a.m.
Other O'Fallon tournament pairings are Columbia-Matthias, Freeburg-Cahokia, Livingston-Waterloo, Gillespie-New Athens, Johnson City-O'Fallon, East-Lebanon and Dupu-Valmeyer.
If the Red Devils win their opener with Lockport on Wednesday, they will play again on Thursday at 10:30 a.m. and possibly Friday at 1 p.m. That winner will compete for first-place at 10 p.m. the same day.
The Lockport-Granite City loser will play again at 1 p.m. Thursday and possibly Friday at 9 a.m. The winner then will compete for the consolation title at 7 p.m.

Red Devils Weak, But Rap Livingston 65-53

After running a one-point deficit at the first period post, the Venice Red Devils jumped ahead in second quarter play by eight points and went on to win over Livingston 65-53 in the Venice cage court Tuesday.

"Livingston's defense and our defense put on pressure during the first quarter we shot but didn't score—but then we started hitting after the first quarter," Red Devil coach Bill Ohlendorf told the Press-Record.

The Red Devils, led by John Gardner and Russell Turner, who tallied 13 points each, shot better than 45% during the second half of the game with Livingston. "We would work up a 24-25 point lead, and then I would send in the subs, and Livingston would narrow down the lead," Ohlendorf said commenting on the game. He commended Rich Esington, who tallied 13 points in the game, for his assists during the game.

Other Venice scorers were Denny Hill 11 points, Bob MacIntosh six points, Lloyd Harper four and Greg Puett, Stan Young and Mike Leatherman, two points each.

"Everyone was tired and let down from losing the Buckner game, otherwise we would have shot better than we did," Ohlendorf said.

The Red Devils, who are now 4-1 in MCM conference play and 7-3 overall, relax until Monday when they play Red Fish at the O'Fallon basketball tournament.

GC Matmen Down Oilers 41-8 Conference Leaders at The Half

After beating Wood River 41-8 yesterday, the Granite City wrestling Warriors closed the first half of their dual meet season as conference leaders and have tallied impressive records. In the meet with Wood River all but two matches were won by the Warriors, who also resulted in a draw, with six pins and three decisions.

Jim Whistler (95) finally broke his losing streak and wrestled to pin at 2:40. Ernie Schwendemann to 2-2 draw with his opponent. Bill Fuchs (103) recorded his 10th pin in 11 matches when he fell his opponent at 3:30.

Fuchs Unbeaten
Fuchs is 11-0 in matches so far this season.

The Gun of the season in Jan Gitcho (112), along with Fuchs, remains undefeated in 11

matches after pinning his Oiler opponent at 3:32. Jerry Lapinski also has an impressive first half record with his 23-2 win at Wood River. he has wrestled 7-1-0. Ray Hankins (154) has tallied eight wins and three losses so far this season, after pinning his Oiler opponent at 1:38.

Going into the holiday tournament, to be hosted by Granite City, and the second half of the season, the Warriors have won 84 matches, lost 34 and have had two draw matches.

Mat coach Bill Schmidt told the Press-Record that the 52 pins and 32 decisions, totaling 84 wins is the best record War-rior mat men have recorded in a number of years. Leading the conference with a 5-0 record, the Warriors have three more conference challenges.

Granite City Youth Condemned in Murder

Kenneth Brawley, 19, of Granite City, was condemned by a superior court jury at San Diego, Calif., yesterday to die in the gas chamber for the fatal stabbing and robbing of a San Diego taxi cab driver last July 23.

Condemned along with the Brawley youth was Larry A. Baker, 22, of Searcy, Ark. They are to be sentenced Jan. 4.

Both Brawley and Baker were arrested in Venice last July 30 by Brawley's uncle, Ralph "Dewey" Brawley, a member of the Venice police department who learned his nephew and Baker were absent without leave from the Navy base at San Diego and were wanted for questioning in connection with the murder.

Venice police returned young Brawley and Baker to California authorities.

The jury convicted Brawley and Baker of stabbing Edwin L. Brewer, 35, of San Diego, 18 times and robbing him of \$40. His body was found by his cab in a San Diego suburb.

Young Brawley, at the time of his arrest in Venice, listed a home address in the 2000 block of Lindell Blvd.

Amsted Buys Litho-Strip Firm in Chicago

Amsted Industries, which operates American Steel Foundries here, has purchased the Litho-Strip Corp. of Chicago for an undisclosed amount of cash, it was announced Tuesday at Chicago by Joseph B. Lanterman, Amsted president.

Litho-Strip prefines coil steel and aluminum with application of coatings, laminating and electroplating for use in pre-fab metal buildings, mobile homes, autos and appliances. Amsted now has 32 plants.

Geo. Twietmeyer, 82, Father of Pastor, Dies

George L. Twietmeyer, 82, of Fort Wayne, Ind., died at 11:55 p.m. yesterday, at Lutheran Hospital, Fort Wayne, where he had undergone surgery the same day for a fractured hip. He was the father of Rev. Arvin Twietmeyer, pastor of Concordia Lutheran Church, who has been in residence since Tuesday.

A former Lutheran school teacher who retired 18 years ago after teaching in Seymour, Ind., and Fort Wayne, Mr. Twietmeyer had been ailing for some time. A fall at home one week ago crushed a hip bone. He was born at Vincennes, Ind., and was a member of Zion Lutheran Church, Fort Wayne.

Besides Rev. Twietmeyer, he is survived by his wife, Mrs. Lydia Twietmeyer; one brother, Edward Twietmeyer of Indianapolis, Ind.; one sister, Mrs. Clara Yungmans of Cleveland, O.; and four grandchildren, Dorcas, Bernice, Mark and Shereth Twietmeyer, all of Granite City.

Rev. Twietmeyer's family is leaving today for Fort Wayne, where funeral services will be held tomorrow. Burial will be Saturday at Vincennes.

Madison Collision

Two cars were damaged at 8:33 p.m. yesterday in a collision at Sixth street and Madison avenue. Madison police reported a car driven by Jesse L. Robinson of Brooklyn was damaged in the front left fender, and a car driven by Clifton Belt, Fort Wayne, was damaged in the rear. The car driven by Belt was driving north on Madison avenue and was backing out a driveway.

Hit and Run Accident

The left front fender of the car of Mary C. Hetsley, 2650 East 24th street, was damaged by a hit-and-run driver at 7:30 a.m. yesterday in the 2900 block of Sunset drive, where the Hetsley car was parked. It was struck by a car backing out of a driveway.

City Pays \$122 Claim; Will Replace Private Driveway

Granite City council members handled a wide assortment of business in a jam-packed, three-hour session Monday night.

The business ranged from paying a \$122 injury claim for a sidewalk fall and replacement of a private driveway damaged by flooding to authorizing pay for all city workers ahead of schedule and in advance of Christmas.

The \$122 claim is to be paid to Miss Mary Schmitt, 2153 Cleveland blvd., who was hurt in a sidewalk fall in the 2200 block of Cleveland last Aug. 6.

Referred to the city attorney was a notice of an intent to file a claim against the city by Mrs. Mildred Harris, 2832 Washington avenue. Mrs. Harris said she was hurt when thrown about in an auto driven by her husband on Oct. 9 when the car struck a hole at the end of Indiana avenue near a new subdivision development.

The driveway replacement is to be at the home of D. L. Murphy, 2542 Spaulding avenue, where the city had to resurface a section of street due to damage from repeated flooding. About 20 feet of concrete driveway is to be replaced, Alderman Johnson said.

Bills and Payroll

Approval was given for the last half of December payroll of \$44,579 to be paid this week. City custom—and bills totaling \$48,203 were approved. Township disbursements of \$4790 also were approved, including \$3496 for relief and \$1474 for town uppers.

Accepted by the city were two notices from state agencies for allocations of funds to the city. \$25,469 motor fuel taxes for November and \$30,073 city sales tax for September.

Referred to Street Committee and street superintendent was a letter from Robert Weiss, secretary of Bricklayers Local 65, in which the union complained that the city was having bricks laid for manholes by other trades.

An ordinance was adopted reclassifying a house at 2419 Lincoln avenue as C-1 commercial for a beauty shop. The ordinance states that if the property ceases to be used as a beauty shop, the zone classification is to go back to R-3 for a single family dwelling. Several aldermen opposed the change, terming it as not in conformance with the city's zoning code.

Bus Stop Problems
Preparation of an ordinance

was authorized for relocation of bus stops at several locations throughout the city where traffic problems are created. Mayor Partney advised the council that since the bus zone ordinance was adopted last summer there have been numerous complaints and that the police traffic division is studying the problems to submit recommendations.

Among the bus stops which are to be eliminated are those at 18th and State street, at 1308 Eighth street, on 27th street and 20th, in the 2900 block of West 10 and 11. The society operates pre-school classes for crippled children in Granite City, Alton and Edwardsville, and special classes at the Venice library.

Mayor Partney asked Fourth Ward aldermen to restudy parking restrictions in the 2200 block of Illinois avenue because of a complaint by a business operator. It also was noted that state law requires a no-parking zone for a distance of 20 feet from an intersection.

Letter Explains Bug Spray Gift

Granite City council members accepted without comment Monday night a letter explaining the use of city insect spray on the city grounds near Sunset Hill, Market street when the collision and discussed further the city's spraying program at an adjourned session Tuesday night.

Mayor Partney said he had turned over to the city inspectors a report prepared by Alderman Boyd, chairman of the Sanitary committee, on possible economy measures and improved methods in operation of the insect fogging machine.

The letter placed on file Monday night was from Sherman Ferguson, custodian of the Sunset Hill Camp Ground, and Bert May, 2416 Dewey avenue, an officer of the camp.

It was addressed to Mayor Partney and stated that the insecticide was obtained in July 1965.

"After contacting you regarding the possible purchase of the insecticide mix and learning that it was not possible for the city to sell it, but that some charitable groups received small amounts and we could have a small amount also, we, Bert May and Sherman Ferguson, drove a pickup truck to the old West Granite City fire station, and a worker there

put an empty 55-gallon drum in the truck, placed about three gallons of the two chemicals into it and then took a fuel oil hose and filled the drum with fuel oil, which made the usual mix for fogging."

"If there is any question in anyone's mind that this 55-gallon drum contains the full-strength chemicals, we would like to insist that a sample be taken from the drum, which still holds a quantity of this mix, and the sample tested to prove this point to everyone's satisfaction."

The letter was placed on file. Mayor Partney had explained at an earlier meeting that the city in past years had sent the fogging machine to the camp grounds. He changed the procedure, noting that the city does not carry insurance on its vehicles and that it could be costly to the city if there would be a traffic accident.

Collide in Venice

A collision at Market and Selb street in Venice at 5:19 p.m. Monday resulted in damage to cars driven by Billie Mack, 305 West Chain of Rocks road, and McKinley Smith, 1029 Market street Venice. According to police of city insect spray at a time, Mack was driving west on Selb street near Sunset Hill, Market street when the collision occurred at the Selb street intersection.

St. Margaret Mary High Mass at 10 A.M. Dec. 25

The High Mass on Christmas Day at St. Margaret Mary Church will be at 10 a.m. instead of the 11 a.m. hour as previously published.

Rev. A. J. Schwellenbach said the Solemn Midnight Mass on Christmas Eve will feature music under the direction of Phil Spence with Carol Mass music composed by Spence to be sung by the 22-member male choir. The mass will be broadcast over the local radio station. Rev. Schwellenbach will be the celebrant assisted by Rev. Gerald McCaughy and Fr. Chris.

Union Gives \$262 to Warfield's Campaign

A \$262 campaign fund contribution was presented Tuesday to Granite City Street Supt. William Warfield by officials and members of Oil, Chemical & Atomic Workers Local 7-653 in a ceremony at the city garage.

Supt. Warfield's current term expires next spring, and Billy Moore, vice-president of the union, said the contribution was given in appreciation of Warfield's assistance to the union members during a lengthy strike year ago.

Taking part in the ceremony were Moore, Foster Frederick of the union's political committee, Fourth Ward Alderman Claude Green and Jess Davis.

WINTER TIME IS ACCIDENT TIME

Home fires. Falls. Sports accidents. All increase shockingly during the winter months.

Much of this suffering and loss isn't necessary, say our Junior Fire Marshals. They're at work on the little causes of big trouble—frayed electrical cords, toys on the steps, carelessness at play.

As local sponsors of the Junior Fire Marshal program, we urge you to take a tip from these youngsters. Their efforts plus yours can help make this a safer and happier winter season.

Degrees Conferred On DeMolay Class

Members of the Past State Master Councilor Watson Class were conferred with The DeMolay Degree Tuesday night at the Masonic Temple by officers of Granite City Chapter. Robert Holton and Larry Whitsett were in charge of the DeMolay Degree team, and Charles Ringler gave the DeMolay Flower Talk.

Master Councilor Reggie Teague announced that a group of the DeMolays would leave the temple at 1 p.m. Friday for the annual visit to the Shriner's Crippled Children Hospital, St. Louis. Presents which were taken to the meeting by the DeMolays will be given the children.

Roy Wilimzig, 33rd Degree Mason and Chief Rabbi of Ainal Temple and an Advisory Council member, will be in charge of the visit.

The members voted to joint sponsor a Christmas week dance with the Job's Daughters on Tuesday evening, Dec. 27th from 8:30 to 11 p.m. at the Masonic Temple.

Members of the Advisory Council prepared and served refreshments to the DeMolays Tuesday night. Members of the council present were: Charles C. Chapman, Robert Holton, Roland Kenner, William J. Mehl, Charles Meyer, John Michels, Mayor Donald Partney, Dr. A. H. Rodde, George Slattery, co-chairman, Everett Steele, Gilbert Watson, co-chairman and Wilimzig.

Protestant Welfare Officers Installed

The 1967 officers of the Protestant Welfare Association were installed by Rev. Robert Bauman at a meeting Tuesday evening at St. Peter United Church of Christ.

Roy Lynn is president for a second term and other officers include Bryan Waggoner, first vice-president; Orville Ganz, second vice-president; Mrs. Irma Taylor, secretary; Mrs. Mary Simon, treasurer; and Mrs. Marie Whittle, office secretary. A report was made of a total of \$500 expended for relief during the past month. The next meeting will be held in January at Third Baptist Church. The Rev. Gail Cross of the Nazareth Presbyterian Church gave the benediction.

Two Autos Damaged

Damage to two autos resulted at 5:10 p.m. Tuesday in a collision at Johnson and Nameoki roads. Police said the drivers involved were Bobby Pickett, 2148 Orville avenue and June Allen, 569 English place.

REP. RALPH T. SMITH

Rep. Smith Selected State House Speaker

State Rep. Ralph T. Smith of Alton was chosen speaker of the Illinois House Tuesday night by a unanimous vote at a caucus of Republican legislators at Springfield.

Smith, a 51-year-old attorney and a former Granite Cityan, is entering his seventh term in the House. He won the post without a fight after former speaker John W. Lewis of Marshall and John Parkhurst of Peoria, minority whip in 1965, withdrew from the race.

The caucus selection is subject to formal approval Jan. 4 when the House organizes under Reg. George Slattery, co-chairman, publican control. Democrats controlled the House in 1965 by a 118 to 59 margin following the 1964 at-large election.

Smith announced that Rep. William Pollack of Chicago would serve as majority leader. Rep. Jack Walker of Lansing would be the whip and Ray Anderson of Galesburg would be assistant whip.

New Book at Madison Lists Summer Jobs

The Madison public library has received a new informational book on 45,000 summer job openings through the U.S. and Canada for 1967. It was reported to day. The book is titled "Summer Employment Directory."

Listed are names and addresses of employers, specific jobs they have available, salary and aids in making applications. High school seniors, college students and teachers are invited to make application.

The book declares the outlook for summer jobs in 1967 is bright, but urges early application. There is a particularly heavy demand for camp counselors, 19, 20 and older, and camp salaries have increased, it says.

SOCIETY

Troop 110 Girls Honor Advisors

Senior Girl Scout Troop 110, sponsored by Niedringhaus Memorial Methodist Church, honored their advisors and their husbands, Mr. and Mrs. William Bollinger and Mr. and Mrs. Leo Schank, at a surprise "thank you" party on Monday evening at the church. Mr. and Mrs. Bollinger and Mr. and Mrs. Schank accompanied the troop on a nine-day trip to Colorado last August.

The girls presented a skit entitled "This Is Your Trip" in which they told of the humorous events of the trip. The tour of Colorado included stops at Greeley, the Royal Gorge, Colorado Springs, Pikes Peak, the North Pole, the Air Force Academy, Denver and Estes Park, all of which were mentioned in the skit.

Following the skit the advisors were presented photograph albums containing pictures taken by the girls on the trip.

Refreshments were served which included a cake decorated with a map of the route taken by the troop and miniature cars following road signs of the various states.

Members of the troop participating were Cathy Zenk, Lois Kueker, Janice Hinkley, Cheryl L. and L. S., Elizabeth McDonald, Cathy Yeager, Alie Bollinger, Phyllis Boda, Carolyn Votaw, Peggy West and Vicky Yetter.

PEO Chapter HT Christmas Party

Members of Chapter HT of the P.E.O. Sisterhood met Monday in the parsonage of St. John United Church of Christ on Nameoki road for a Christmas party and program.

The hostess, Mrs. Paul Surbey, served luncheon to 18, and afterward Mrs. Harold Fischer, president, conducted a brief business session. The program consisted of a review of the book, "How Far To Bethlehem," by Nora Loftis, given by Mrs. Arthur Buente, the singing of old familiar carols and gift packages to be opened.

The next meeting of the chapter will be Jan. 9 with Mrs. W. W. Bowers.

Kirkpatrick Party For Children Today

Kirkpatrick Homes Improvement Association will sponsor a Christmas party for youngsters living in the housing project at 6:30 p.m. today in the recreation center.

Proceeds from the association's recent Christmas festival, amounting to \$50, have been used to provide 300 treats for children between the ages of one and 12 years. Mrs. Sandra Ray, club president, said other attractions will include a cartoon show, sing-along feature and Christmas carol song-fest.

Following the children's party, association members plan a brief meeting at the center at 7 p.m. and two representatives to the Madison County Economic Opportunity Commission.

Collide in Madison

Crash driven by Morris R. Knight, 3116 West 20th street, and Anderson Reeves, East St. Louis, collided at Madison avenue and Second streets in Madison at 7:50 a.m. yesterday. Police said damage was slight.

CHRISTMAS CANTATA

The church, junior and youth choirs of Dewey Avenue Methodist Church presented the Christmas Cantata "Joyous Christmas" Sunday evening. Mrs. Walter H. Ambury directed the choir, accompanied at the organ by Miss Sandra Potillo. Rev. John H. Ambury gave the narration of the Christmas story.

The church choir portrayed the Nativity, proclaiming the "Good News to All." The junior and youth choirs will join the "Navigator's Class and the Methodist Youth Fellowship on Thursday evening for carolling.

WCS CHRISTMAS PROGRAM

The Woman's Society of Christian Service of Dewey Avenue Methodist Church met Tuesday evening with Rev. and Mrs. John Ambury, 2138 Dewey avenue. Mrs. Alma Davis read the Christmas Creed, and devotions were given by Mrs. Verna Tylinski of the Aldersgate Methodist Church, East St. Louis.

On the program were Mrs. Minnie King and Mrs. LuAnn Berry, mother of Mrs. Ambury and also of Aldersgate. Christmas gifts were exchanged in the decorated home.

Misses Judith, Cynthia and Rebecca Ambury assisted in serving refreshments to Mrs. Edith Rhodes, Mrs. Ruby Redman, Mrs. King, Mrs. Ella Lindner, Mrs. Gladys Potillo, Mrs. Benita Sparks, Mrs. Zetta Hornbuckle, Mrs. Davis, Mrs. Fern SanSoucie, Mrs. Elsie Stages, Mrs. Lottie Squires, Mrs. Grace Lensing, Mrs. Leoda Durbin, Mrs. Mayme Waggoner, Mrs. Violet Miller, Mrs. Louise Potillo, Mrs. Berry and Mrs. Tylinski.

FRIENDSHIP CLASS MEETS

Mrs. Elsie Sturdivant, 2222 Adams street, entertained the Friendship Class of Second Baptist Church Monday evening. Participating on the program were Mrs. Barbara Elmore, Mrs. Maxine Dacus and Mrs. Melva Roberts, substitute teacher.

The project for December is to furnish a Christmas box of canned goods, and in January the class will prepare boxes for Carmi Children's Home. Games were played and Mrs. Dacus was prize winner. Refreshments were served by the Sturdivant, class teacher, to Mrs. Mary Sharp, Mrs. Barbara Harris, Mrs. Dean Burcham, Mrs. Nora Young, Mrs. Peggy Miller, Mrs. Darlene Hartzel, Mrs. Elmore, Mrs. Dacus and Mrs. Roberts.

MRS. ROBBERS

Mrs. Robbers, 74, Former Teacher, Dies of Stroke

Mrs. Charlotte (Leclair) Robbers, 74, of 2418 Benton street, a former area school teacher for many years and active clubwoman, died at 2 p.m. Tuesday at St. Elizabeth Hospital, where she was admitted Friday. She was believed to be in good health until a week ago when she suffered two apparent strokes.

Born in Hartford, Conn., Mrs. Robbers had taught school in Sayreville, Ill., and Staunton, between 1912 and 1918. She came to the Quad-Cities as a teacher at the Blair school in North View in 1917 and 1918. She had resumed her teaching career in 1942 and was employed for many years as a substitute in both the Madison and Granite City schools.

Mrs. Robbers had resided in Madison from 1917 until seven years ago when she moved to Granite City. She served for nearly 30 years on the Madison public library board and was a former member of St. Mary's Catholic Church in Madison.

Other organizations in which she held membership included St. Elizabeth Hospital Auxiliary, Granite City Business and Professional Women's Club, Royal Neighbors of America, Daughters of Union Veterans of the Civil War and the Golden Age's Senior Citizens Club. She also was a member of Sacred Heart Catholic Church and the Sacred Heart Quilting Society.

Mrs. Robbers is survived by her husband, Joseph Robbers, two daughters, Mrs. Donald (Maryann) Hall of Granite City and Mrs. Lowell (Margaret) Flamm of Glen Carbon; two sons, Milford Robbers, St. Louis and Gerald Robbers of California; and ten grandchildren.

Funeral arrangements are given in today's obituary column.

Four Arrested in GC On Traffic Charges

Four traffic arrests were made by Granite City police Tuesday with magistrate hearings set for Jan. 12.

These issued tickets were William R. Boyer, Rural Route One, at 26th street and Madison avenue on a charge of disobeying a traffic signal; Jerry A. Griffin of 3225 Colgate avenue in the 2500 block of Madison avenue on a charge of speeding.

Dana C. Lakatos of 1701 Veint street on a charge of passing a stop sign at 21st street and Madison avenue, and Louis F. Grammer of 2666 Madison avenue at Niedringhaus avenue and State street on a charge of driving without brakes and an additional charge of driving under the influence of alcohol.

Parked Car Damaged

The parked car of Marilyn L. Bondergard, 3505 Franklin avenue, was damaged while it was parked on the Snack Shack parking lot at 10:30 p.m. Tuesday. Police said the Bondergard car was struck by one driven by Earl Weffard Jr., 2523 Shridan avenue, who was backing.

Bartylak Involved In 2nd Estate Suit

Joseph Bartylak, Collinsville lawyer who recently testified in state's attorney, became involved in another case in which a client is demanding an accounting of a trust fund.

He was ordered by Associate Judge I. H. Streeper Wednesday to make a report to the circuit court on the disposition of the assets of the estate of Kathleen Shea on or before Jan. 5.

An inventory filed in 1956 showed that \$200, an amount received for the girl in a settlement made in a western state when she was three years old, was to be invested and handled by Bartylak for the father of the girl, a serviceman who was headed overseas.

There was no evidence that the money was deposited with the Home Savings & Loan Association of Collinsville, the designated depository, nor with any other financial institution in Collinsville according to testimony during the hearing.

Parents of the girl testified that they made previous inquiries about certificates of deposit but were told by Bartylak that the papers were in the safe in another office, and an accounting never was made.

Action was taken by the Shea family after the girl, now employed by a Belleville bank, read newspaper articles of Bartylak's problems over an estate dating back to 1963. It was noted that if the money had been invested it would be doubled by now.

Space Age Theme for GCMS Spaghetti Supper

The vocal music department of Granite City high school will present its annual spaghetti supper with a space theme at the high school. Hours will be from 5:15 to 7:30 p.m.

Warren Simpkins, director, said the supper had been planned for Nov. 15 but was postponed due to a breakdown of equipment in the old cafeteria. Tickets sold for the Nov. 15 date will be honored.

"Out of This World with Spaghetti" theme will be highlighted by a space age show with space age music.

Nameoki Twp. Board Ok's Citizen Try for Grants

Nameoki town board of auditors approved a resolution granting the township citizen's sever committee authority to negotiate with federal and state agencies to determine the extent of federal funds available for construction of a sewer system and sewage treatment facilities.

The action was taken at the town board's regular meeting Tuesday evening. The auditors also authorized Highway Commissioner Charles Hanks to erect "yield" signs in the Pon-tiack Beach area on Central lane at Breckenridge lane and Lake drive.

Relating further steps to be investigated by the citizen's sever committee, Township Atty. Nick Vassileff told the board he had been in contact with a Farm and Home Administration official in the FHA's Belleville office with reference to securing federal funds through that agency for the proposed construction of sewers.

The attorney said he was advised the sewer project does not qualify for FHA financial assistance, as the township area is not classified as strictly rural. Vassileff reported the official had referred the committee to the Federal Housing and Urban Development authorities in Chicago.

Madison Church Will Hold Candlelight Service

The First Methodist Church of Madison, Fifth street and Ewing avenue, will hold a Christmas Eve candlelight service at 11 o'clock. On Christmas Day the usual schedule of services will be held with the Christmas sermon by the pastor, Rev. D. G. Love, at 10:45.

The community is extended an invitation to attend.

Firemen were called at 5:40 p.m. Monday to the Terminal Railroad Association high-line approach to extinguish a weed fire. There was no damage. Cause of the fire was unknown, firemen reported.

—GO TO CHURCH SUNDAY—

Christmas' Decorate Peace Lutheran Tree

The Sunday school of Peace Lutheran Church, 2450 Stratford lane, held their Christmas program this week. It centered around caroling in the Gorbie subdivision and decorating of the Sunday school tree.

Each class, under the direction of the parish education committee chairman, Marita Knappitzky, and Carol Gendron, Sunday school teachers, made the decorations for the tree.

"They are not the normal balls and figures," the pastor, Rev. Carl Johnson, explained, "but are Christmas designs called 'Christmas'." A Christmas is a monogram of Christ and the designs have been passed down through the centuries of Christian history.

The Christmas were made by each class to take to the celebration of Christmas more meaning by emphasizing God's great gift to the world, the Lord and Savior, Jesus Christ.

The Christmas idea was originated in 1857 by Mrs. Harry Spencer, a member of a Lutheran Church in Danville, Va. Since its inauguration, the idea has grown to be used by many denominations as a significant way to express more fully the true meaning of Christmas. The Christ event, Rev. Johnson said.

Local Widow Loses Wallet And Social Security Funds

Mrs. Eva Jacobs, 1209 Kirkpatrick Homes, a widow whose income is derived only from Social Security, is offering a reward for return of her wallet with \$75 which was lost while she was shopping in an area store early this week.

Mrs. Jacobs said the wallet also contained valuable pictures, which cannot be replaced. The money was her monthly allotment, and she will be unable to Christmas shopping.

Carburetor Stolen

Peter Barzoff, 13th street and Washington avenue, reported to Madison police Tuesday that the carburetor and transmission were stolen from his 1955 model auto while it was on his parking lot. Police checked the car and found the transmission was still attached, and only the carburetor stolen.

Iowa St. Problem Still Unsolved at Nameoki Rd.

Congestion at the east end of the 3000 block of Iowa street at the rear of the new National West 20th street and to Rock Foods store promised. Alderman Noon said the initial work should be started immediately, since it probably will be necessary to resurface the road and possibly, widen the city's officers agreed they had been asleep at the switch in permitting the city to be limited to a 24-foot roadway from Nameoki road to the curve in Iowa street.

Many thought the city had a right-of-way there, but the council decided after hearing a report that it became known the city had only 30 feet and it was too late to buy added right-of-way.

"We tried," Mayor Partney told the council, "but by then the building could not be relocated. The owners refused us." Several suggestions were made to unblock the congestion.

Parking Restrictions
First of all, Alderman Sternberg said delivery trucks will not be permitted to back to the store's loading dock and extend into the street, but must park parallel to the building. Driver of any truck in violation will be given a summons.

One-way traffic east to Nameoki road for the 3000 block also was proposed, but Street Superintendent Warfield said that persons living near 30th street would be forced to go to Nameoki road even though they wanted to go downtown adding to congestion.

He suggested the street remain two-way, but that "do not enter" signs be posted at Nameoki road. State highway engineers have advised the city that this would not be permitted, Mayor Partney told the council.

Alderman Partney pointed out that cars parked along Iowa street just off Nameoki road were adding to the difficulty. He called the council's attention to the increase in congestion and asked if there were remedies.

An ordinance to prohibit parking from the Iowa street curve to Nameoki road is to be prepared for adoption at next week's meeting.

Further Study
Further study is to be given the problem in an effort to solve the problem.

"Why was the permit issued when it was known there would be problems?" Alderman Robertson asked. He was told by the mayor that the city did not get the building relocated to get 50 feet of right-of-way and that several meetings were held with no results.

Several aldermen noted the heavy use of the block by persons living east of Nameoki road and traveling over St. Clair avenue.

Not to be caught napping again, the council agreed that the Street committee should begin preparations now for access streets for Federal Aid Route 151 through West Granite to the Army Depot.

Ridiculous offer, isn't it? Of course, you wouldn't sell at that price. But look at your fire insurance. Would it cover the cost of replacement of your home burned? Or is it ridiculously low compared to the present value of your house? Ask your MFA insurance agent to review your fire insurance coverage with you.

Two Venice Teachers in Young Women Who's Who

Biographical sketches of two Venice schoolteachers will appear in the 1966 edition of "Outstanding Young Women of America," an annual compilation of 800 young women who have distinguished themselves in civic and professional activities.

The selection of Mrs. Grattana Ann Hill Ponce, 807 Filmore street, and Mrs. Annetta Marguerite McConnell Ohlendorf, 1228 Klein street, is announced this week by a Board of Advisory Editors in Montgomery, Ala. The advisory board is headed by Mrs. Lyndon B. Johnson as honorary chairman.

Publication in book form of the names of outstanding young women was conceived several years ago by the leaders of the nation's women's clubs. Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs, serves as chairman of the advisory editors' board.

Nation-Wide Nominations

Nominations are received each spring from women's organizations throughout the U. S., with the candidates qualifications and reviewed and ultimate selections made by the board.

Guidelines for inclusion in the publication include unselfish service to others, charitable activities, community service, professional excellence, business advancement and civic and professional recognition.

Mrs. Ponce and Mrs. Ohlendorf were nominated by the Venice Woman's Club. Mrs. Madonna Grattana, club president, informed the Press-Record. Their selection was determined, she added, by the successful manner in which they combined teaching careers, service in the community and their responsibilities as homemakers and mothers.

Teacher 11 Years

Mrs. Ponce, whose husband, Peter, is a member of the Venice park board, has taught in the Venice school system for the past 11 years. She is the mother of two children, Timmy, six, and Christina, five.

Originally from Eldorado, Ill., Mrs. Ponce was graduated from Southern Illinois University-Carbondale Campus with a bachelor's degree in kindergarten and primary education. She accepted a teaching position with the Venice schools where she has since remained. She has been involved in many community enterprises through membership in the Venice Junior Service Club.

Presently in her second year as girl's physical education instructor for Venice schools, Mrs. Ohlendorf previously spent one year in the same field at Granite City high school. Currently, she is hard at work formulating a Girl's Athletic Association program for Venice students. She also serves as advisor and sponsor of cheerleading activities.

Mrs. Ohlendorf, a native of Atlanta, Ga., is a graduate of Erskine College, Drexel, S. C., where she received a bachelor's degree. She and her husband, Venice Coach William Ohlendorf, are the parents of four-year-old Jo Ann, and Billy, 23 months old. Also a member of the Venice Junior Service Club, she has worked in the Easter Seal program and the Venice Crippled Children's Organization.

No date was listed by the Editors' Advisory Board for publication of the biographical "Who's Who," reported to contain 800 pages.

PROCLAMATION

WHEREAS, Traffic accidents, injuries and deaths mar the celebration of the Christmas and New Year's holidays and have in the past years continued to claim a toll of victims at a rate that can be diminished with the cooperation of all drivers and we are now preparing for the celebration of these two holidays from Dec. 23, 1966, through Jan. 2, 1967, and WHEREAS, Gov. Otto Kerner and his Official Traffic Safety Coordinating Committee on behalf of all of the citizens of the great State of Illinois have proclaimed the period from Dec. 23, 1966, through January 2, 1967, a time for state-wide "Light Up and Live!" traffic alert, during which time all responsible Illinois drivers will turn on their headlights during daylight driving.

NOW, THEREFORE, I, Donald Partney, Mayor of the City of Granite City, do proclaim this same "Light Up and Live!" Christmas-New Year safety alert will prevail in our city during these same dates and I further recommend that all citizens use this occasion to practice defensive driving and to use their headlights and to alert themselves and others to the dangers inherent in holiday traffic.

CHRISTMAS
 We do not have the Peace on Earth this Christmas that Christ so earnestly besought us to pursue. As more and more governments of the world are expressing a distaste for war and are organizing politically to keep the peace, there is hope that the Prince of Peace may yet realize his cherished dream for all mankind.

City Sued for \$110,000
Over Lack of Stop Sign

The city of Granite City and Ellis Ray were named defendants in a lawsuit filed this week seeking damages totaling \$110,000 for Louis and Ernestine Smith. The complaint alleges they were injured last Dec. 26 when the Ray and Smith auto collided at 19th and Adams streets caused by the absence of a stop sign controlling northbound traffic on Adams. The city was charged with negligence in failing to maintain the stop sign as required by ordinance and Ray with driving negligently.

wedding of Miss Judy Sands and Daniel LaRose were Mrs. William Sands, Mr. and Mrs. Paul Sands, Mr. and Mrs. Bill Sands and Mr. and Mrs. Amos Sands of Lancaster and Mr. and Mrs. Leo Thompson of Vienna, Mo.

Mr. and Mrs. Lloyd Foulkrod of Arlington, Texas are announcing the birth of a son Dec. 21 at the Arlington Memorial Hospital, weighing six pounds, five ounces. They have selected Kirk Mathew for his name. Maternal grandparents from Granite City are Mr. and Mrs. Charles Wilkins of 2903 Palmer avenue.

McCaskill Promoted
To Army Captain

Earle McCaskill, son of Mrs. Rosie Mae Parnell, 1021 Calhoun street, Madison, has been promoted to captain in the U. S. Armed Forces. Capt. McCaskill, claims officer of the 9th Infantry Division's office of the Staff Judge Advocate, received his captain bars from Col. John J. Douglas, Fort Riley, Kan., judge advocate, during a recent promotion ceremony at division headquarters. Capt. McCaskill, a Madison high school graduate, is the brother of Charles McCaskill, coordinator of Madison public schools, and Rev. Randall E. McCaskill, who is a junior student at Crozer Theological Seminary in Chester, Pa.

Children Give Program

For Madison Rotary
A holiday program of singing, dancing and piano playing was presented by Madison school children directed by Mrs. Valerie Stevens at yesterday's luncheon of the Madison Rotary Club. Harvey Miller, vice-president, was in charge and the 35 members heard replies from servicemen in Vietnam to whom the club had sent Christmas cards.

Friends Give \$1000
To Injured Truckee

Just in time for Christmas, a check for \$1000 was presented Tuesday to Frank Diak, 2808 Washington avenue, a beer truck driver who was badly beaten in a holdup Nov. 10 at the Venice Liquor store.

Diak, who is recuperating at home, will be off work another five weeks, and the money was raised through a television set contest. Heading the group giving aid to Diak were Sam Rosch, owner of the liquor store; John Kerkovich of the Rozycki agency and former trucker, and two store clerks, Mrs. Ann Miller and Mrs. Mildred Hormann.

Webster School Evacuated

To Check Bomb Warning
Pupils at Webster school were evacuated from the building at 2:45 p.m. yesterday as the result of a telephone bomb threat. The school office received an anonymous call in what was described as the voice of a teenage boy, warning that there was a bomb in the building. Granite City firemen, policemen and the Army Dept. bomb squad checked the building, and reported they found nothing.

F. T. Belcher Receives AMEC Award of \$300

A Granite City man, Freddie T. Belcher, 21 Oaklawn drive, this week received an award as an employee of the Army Military Equipment Command, St. Louis. Belcher's award for substituted superior performance of duties for a 12-month period included a check for \$300. He is employed in the Command's Directorate of Supply. Presentation of the award was made by Brig. General Thomas B. Simpson, commanding general of the command.

Parked Auto Struck

A parked auto owned by Betty Bair, 216 East 24th street, was struck by a passenger train. A patient in the intensive care section at Barnes Hospital, St. Louis, his condition still is described as serious.

Tree of Lights

Citizens close to the 1966 goal. Cash value of 5200 canned goods items collected by members of Eagles Aerie 1126 and Auxiliary will add about \$700.

Within the past three days, more than 300 Madison and Venice school children have been outed with new clothing through the Salvation Army's "Clothe the Child" program, another facet of the Tree of Lights project.

Under the supervision of Mrs. Wisor, volunteer workers from the Army's church groups escorted the students from their schools to local stores where purchases were made, including shoes, jackets, coats, socks, jeans, shirts and other garments. Each child was permitted to list his preference of the most-needed items, Mrs. Wisor explained.

One volunteer assisting in the program commented today that stocks in most local stores were considerably depleted after satisfying the numerous requests made of the Salvation Army this year. Approximately 245 children were clothed through the same program last Christmas.

Clothing also was purchased this week for a number of Granite City children who were escorted to the stores by school counselors. Other local families received purchase orders for shoes.

Three Persons Injured In 20 Auto Accidents

Three persons were injured in three of 20 traffic accidents which occurred on Quad-City area streets since Monday.

Michael Richard Allen, 41, of 2828 Iowa street, was injured when he fell asleep while driving home at 3:15 a.m. today. His auto struck a parked car at 2733 Iowa street and another owned by Hattie Lance, 2737 Iowa street. He was taken to St. Elizabeth Hospital for treatment and was released following x-rays.

LaDonna Stroehle, 27, of 4033 Sara street, complained of pains after her auto struck the right side of another driven by Clyde F. Rogers, 2511 Iowa street, Monday afternoon at 22nd street and Madison avenue. Rogers was charged with a right-of-way violation and was summoned for a hearing by Jan. 12.

William A. Copeland, 35, of 19474 Delmar avenue, complained of pains after the left control of his auto on a curve in the 1400 block of State street and struck the left side of an auto and house trailer owned by Pat Green, 1460 State street. The accident occurred at the wrecking station and charged with reckless driving. A hearing was set on Jan. 6.

Appeals to Thief To Return Gifts

William R. Taylor of Collinsville, an employee of Granite City Steel Co., appealed today to the thief who looted his car early yesterday morning to return the Christmas gifts which, he said, was "all of the Christmas" for his nine small children.

Taylor's car was looted by a thief who broke a vent window to gain entry while the car was parked in the 2400 block of Lincoln avenue.

Stolen were Christmas presents including trousers, jackets, shoes and shirts, valued by Taylor at \$100. In addition the thief stole two bags of groceries worth \$10. Personal papers also were stolen. Taylor said the gifts were for his children who range in age from two to 15 years.

Ticketed for Speeding

Peggy S. Harlow, Rural Route One, was issued an arrest ticket at 2:55 p.m. Wednesday on a charge of speeding on Peeling road. She was summoned for a hearing by Jan. 12.

League of North America, all of American Steel Foundries.

Holdup

at 5:30 a.m. today by the custodian.

Dale Higgins is the proprietor. Entry was gained by prying a steel gate door and breaking a door.

A burglar pried three iron angle bars out of a restroom window to gain entry at Bob's Service Station, 2222 Edwardsville road, and McCambridge avenue, Tuesday night or early yesterday morning. Entry was gained through a window measuring 19 by 10 inches. The thief took an undetermined amount of change from a cigarette machine and ransacked the desk drawers. Only the cigarette money was stolen.

Service Station Burglary

A cigarette machine was forced open and the coin box taken in a burglary at the service station, 1341 Edwardsville road, at 12:50 a.m. Tuesday. Two packages of cigarettes were stolen.

Entry was gained by forcing the east side door. A witness leaving a nearby tavern told police that a heavy-set man standing beside a light blue 1955 convertible auto parked by the gas pump which he had seen in the store. It had a license plate from another state.

An undetermined amount of money was taken from a piggy bank, cigarette and candy machines and a juke box in a burglary at the Tri-Mor Bowl, 1001 Douglas, Madison, today. Some liquor was believed to be stolen. Entry was gained through the beer cooler.

A motel tenant who owed two days' lodging left without paying Tuesday night, and took with him a light portable television which he had left in the motel. The motel is the 2400 block of Lincoln avenue. Nelson Hediger, operator of Travelodge, 1229 Nineteenth street, told police, Hediger gave officers the name and address given by the man who lodged in the unit.

Assorted Christmas gifts including shoes, shirts, pillow cases and boy's trousers were stolen from the auto of Edward Puckett, 215 State street, while it was parked in the 2400 block of Lincoln avenue. It was reported to police Wednesday. Puckett said the glove compartment was also ransacked. No blue was listed for the stolen articles.

Theft of outdoor decoration lights continues. Betty Blair, 2116 East 24th street, told Granite City police that the 1963 Buick Wildcat had been stolen from outside decorations at her home.

Grand Edward, West 20th street, reported to Granite City police at 5 p.m. Tuesday that a porch light and glass shade, valued at \$5, were stolen from his front porch.

Two Auto Stolen
Two autos, a purple 1965 model and a silver blue 1964 model, were stolen from the lot at the Hundley agency, 1801 Madison avenue, on Sunday, it was reported at 12:30 p.m. Monday. Neither had license plates.

Gerald Mayberry, 3239 Erin drive, reported at 8:30 p.m. Wednesday that his 1963 Buick Wildcat blue four-door auto was stolen from 2100 Illinois avenue.

Toney Massa, 3038 Madison avenue, reported at 4:45 p.m. Wednesday that his 1964 auto, which he parked in front of 1913 State street, to go into a barber shop, was stolen. He had left the keys in it. The auto was recovered in Marlborough, Mo. It was not of drivable and was towed to a garage.

Sara Dowdy, Caseyville, reported at 9 p.m. Wednesday that her 1953 auto was stolen from East 25th and August streets. It was found by police at 2216 Grand avenue with damage to the left side.

A 1957 auto owned by George Graf, 1717 Bremen avenue, reported stolen at 12:40 a.m. Tuesday from the 2000 block of Iowa street, was recovered later.

Radio microphones valued at \$27.75 each were stolen from two trucks at the Reeves Concrete Co., 2801 Circle drive, during the weekend, it was reported at 2:50 p.m. Monday. A key also was taken from an outside telephone.

Two Youths Arrested

Lawrence A. Wyatt, 19, of 2428 Illinois avenue, was charged with illegal transportation of liquor, and Harry L. "Tohy" Warner, 21, of 1712 Edison avenue, was charged with illegal possession of liquor after they were arrested at 4:20 a.m. Thursday at 20th and State streets. Wyatt was released on \$100 cash bail.

Man Faces Two Charges

Nyle W. Wright, 31, of 2416 Adams street, was charged with intoxication and disorderly conduct at 1:45 a.m. today at his home. He was released on \$50 cash bail.

Two Traffic Charges

Leo J. Morman, 100 Twenty-first street, was charged with improper lane usage and following too closely at 6:30 p.m. Wednesday at 2700 Madison avenue. He was summoned for a hearing by Jan. 12.

Yule Lighting Contest Winners Announced

Hit-Run Accident

A car driven by Tommie L. Jones, 626 Meredocia street, Venice, was damaged on the right side at 8:30 p.m. Monday when struck by a hit-run driver at Weaver and Logan streets in Venice. Police reported Jones was headed south on Weaver street when his car was side-swiped by a car whose driver continued on westward over McKinley bridge.

At least eight Granite Cityans will receive an additional gift this Christmas—they are winners of this year's Yule season's Christmas home lighting contest sponsored by the Granite City Jaycees and Illinois Power Co.

Each of the winners will receive by mail a letter congratulating them on their win and their Christmas spirit. The letter will serve to identify the winner and upon presenting the letter at the Illinois Power Co. office on Niedringhaus and Delmar avenue, the winner will be given an electric post-lamp.

Winners of the 1966 Christmas home lighting contest are: Robert Turner, 3136 Carlson avenue; Paul L. Freeman, 3419 Lydia lane; Charles Hawkins, 3117 Fehling road; William Hillmer, 2739 Michigan avenue; David Whitaker, 2483 Waterman avenue; Larry Holder, 2420 Madison avenue; Harry E. Conn, 1724 Sycamore avenue; and Neil E.

Detwiler, 2444 Wilson avenue. Winning an electric-post lamp, according to Gary Sans Souci, Jaycee project chairman, represented an "excellent" rating by a panel of six judges selected by Eugene Assisi, director of art for the Granite City school district. The lamps, which were the only prizes awarded, have an automatic electric eye to turn them on and off at dusk and dawn.

"This year, in order to be more fair, we did not section the city geographically and award a lamp to an entrant in each section, the judges selected the winners, wherever they found them," Sans Souci said.

Extra Holiday Hours For Taverns in GC

Granite City will relax its 2 a.m. Sunday closing hour for taverns this holiday weekend and on the New Year weekend.

The proposal was presented to the council by Mayor Partney, city liquor commissioner, and was sanctioned by a show of hands by nine of the 15 aldermen present. Several objections were voiced when no closing hour for the two days was given.

Mayor Partney explained that taverns may do so for any length of time provided there is no disturbance. "If there's any trouble, police will close them," he said, adding that the longer hours on the two holidays has been a past practice.

Christmas Day Services At Christ, Scientist

On Christmas day a passage from II Corinthians will be the Golden Text for the lesson-sermon "Christian Science" to be read at First Church of Christ, Scientist, 2590 Delmar avenue, as in all Christian Science Churches. Scriptural passage include the story of the birth of Jesus and the adoration of the Magi, as well as many references to Jesus' healing.

**CHRISTMAS PARTY for
Easter Seal Children**
Eighteen children from the Madison County Easter Seal Society's Granite City pre-school and Venice speech clinics completed their pre-Christmas celebrations at a party held Tuesday at the Central Christian Church, 2020 Johnson road.

Christmas Party for Easter Seal Children

Highlighting the party, during which refreshments were served by members of the Easter Seal auxiliary, was a visit by Santa Prior to this party, dolls made by Monticello College students in Godfrey, were distributed at another party.

Recommendations for changes in the city ordinance for control of air pollution are being developed until the East-West Gateway Council takes action on an ordinance for area-wide controls, Henry Bieniecki, chairman of the city clean air board, said this week.

Bieniecki said the city board with responsibility to promote air pollution abatement and to enforce the provisions of the ordinance, has a subcommittee under the chairmanship of Burton Bernard, local lawyer, to keep up with proposed air pollution control legislation.

"This committee was established in response to the criticism of the Granite City ordinance by Robert French, the chief air pollution engineer for the state board."

"In his first meeting with the Granite City board last year, Mr. French described our ordinance as very weak and full of loopholes and as having numerical standards that the state board considered too lenient."

MUST MEET STATE OK
"For the local board to ultimately obtain complete jurisdiction in the Granite City area," Bieniecki said, "it must have an ordinance that meets with the approval of the state board."

The local chairman added that the city board was hopeful the Gateway Council would have taken action on a model ordinance last week. "This was forestalled by the Illinois representatives on the council."

"In this connection, I would like to point out that although Granite City has one of the most serious air pollution problems in the area and a population comparable to that of East St. Louis, its city administration could not obtain representation on the East-West Gateway Council."

Bieniecki noted that only one Madison county official is on the council and resides in the rural area. "This testifies to the baleful influence of St. Clair county politics under the careful guidance of East St. Louis Mayor Alvin Fields," the local chairman said.

Costs to Populace
Bieniecki, who last week attended the National Conference on Air Pollution at Washington, D. C., said it was pointed out there that direct air pollution costs to the consumer may be as much as several hundred dollars a year in such items as excessive cleaning and deterioration of clothing, excessive repainting, replacement of household goods and medical treatment for excessively frequent respiratory illnesses.

"Simple arithmetic therefore indicates that the cost of air pollution to the consumer rapidly totals up to equal the added costs of air pollution abatement programs for particular industries. Ultimately the consumer will bear the abatement costs, also."

"The indefinite costs to health, the discouragement of new industry and business from locating in our area and the discouragement of many employees of local industry and business from living here are also part of the cost of air pollution to all of us."

Changes in City's Clean Air Law Await Area Action

Recommendations for changes in the city ordinance for control of air pollution are being developed until the East-West Gateway Council takes action on an ordinance for area-wide controls, Henry Bieniecki, chairman of the city clean air board, said this week.

Bieniecki said the city board with responsibility to promote air pollution abatement and to enforce the provisions of the ordinance, has a subcommittee under the chairmanship of Burton Bernard, local lawyer, to keep up with proposed air pollution control legislation.

"This committee was established in response to the criticism of the Granite City ordinance by Robert French, the chief air pollution engineer for the state board."

"In his first meeting with the Granite City board last year, Mr. French described our ordinance as very weak and full of loopholes and as having numerical standards that the state board considered too lenient."

Engineering Refresher Course Offered by U. I.

A 15-week refresher course for graduate engineers will be offered by the University of Illinois during the spring semester in 14 centers, including East St. Louis senior high school.

Classes will be held at 6:30 p.m. Mondays at East St. Louis beginning Jan. 9. The course is designed to prepare for the state professional engineers examination May 4 and 5.

Those interested are urged to pre-register by Dec. 28. Information and forms may be obtained from J. W. Seyler, 111 Illinois Hall, Champaign. Tuition and fees of \$36 is payable at the first session.

Miss Williams Chosen For Court at Central

Miss Deborah Williams, daughter of Mr. and Mrs. Fred Williams, 1528 Lindell blvd., has been chosen by the student body of Central Methodist College at Fayette, Mo., as a member of the 1967 Yearbook Beauty and Glamour court.

She was one of six attendants to the queens of glamour and beauty at the all-school Christmas dance on Dec. 10.

Chorale to Perform

The Concert Chorale at the Southern Illinois University-Southwestern campus will present a television performance of "The Christmas Story" at 5:30 Sunday on Kmoxtv. The chorale will be directed by Leonard Van Camp.

Sailor on Exercises

Naval Aviation Structural Mechanic Third Class Paul A. Haldeman Jr., son of Mr. and Mrs. Paul A. Haldeman sr., 3016 Willow avenue, is on maneuvers with Anti-Submarine Warfare Squadron 28 aboard the aircraft carrier Wasp in the mid-Atlantic and Caribbean sea as part of "Lantflex-66," the largest composite training squadron for the Atlantic fleet this year.

CYO Christmas Dance Set for Friday Night

The CYO at St. Elizabeth's Catholic Church will hold its annual Christmas dance for teenagers from 8 to 11:30 p.m. Friday in the parish hall, Tom Bur, president, announced.

The Meraders, a local band, will play. The dance is open to CYO members of all local Catholic parishes and their guests. Admission is 50 cents for members and 75 cents for guests.

Brush-Up Shorthand Machine Class Offered

Persons who want to "brush-up" or increase their stenographic machine shorthand speed will have that opportunity through a course being offered by Southern Illinois University-Southwestern's technical and adult education division this winter.

The non-credit course at the SIU-SW Alton center will meet Wednesday and Thursday evenings, from 6:30 to 8:20, beginning Jan. 3 and ending March 16. Stenographic machines will be provided by the University for students who do not have their own.

Reservations and information may be made by calling SIU-SW's technical and adult education division office at Edwardsville, area code 618, 692-3500.

Pay, Expenses Of Council Needs More Legal Data

Monday night was not long enough for Granite City council members to complete all business before an 11 o'clock curfew, so 12 aldermen returned Tuesday night for 35 minutes to finish the agenda.

Debate briefly was aldermen's pay for unattended meetings, expense allowances and possibly additional pay of \$25 for attending special meetings. It was decided that City Atty. Allen should call upon State's Atty. Scroggins to get decisive opinion from the state attorney general's office.

Another legal opinion is to be sought by the mayor relative to council action Monday night in approving a request from City Clerk Pendleton and City Treasurer E. R. Rich that they assume the duties of billing and collecting sewage treatment and sanitary sewer fees in accordance with the recently revised ordinance. The comptroller now carries out both functions.

The clerk and treasurer called for the changeover Jan. 1, and the council voted its approval. However, Mayor Partney said he was delaying the change until the legality of the procedure was proven.

Tuesday night's debating over aldermen's pay and expenses was calm and sedate. Boyd presented the resolution adopted on Oct. 28, 1965, allowing aldermen to miss a meeting for shift work without loss of pay. This had been challenged two weeks ago in a legal opinion from City Atty. Allen. Boyd noted that in 1963, the motion for adoption of the resolution was made by then Alderman Partney and by Sternberg.

On aldermanic expense allowances, Moerlien commented there had been no question of the legality until the council refused to pay a \$252 allowance for Mayor Partney until a detailed accounting was presented. Partney inquired that he had heard his allowance would be turned down after he had voted against a \$2000 a-month allowance for Township Assessor James Barton.

The mayor added that he had the only recently determined that aldermanic expense allowances were illegal and that was why he refused to sign the November checks. He added that he went back through records and found

CHECK FOR \$500, representing a \$200 increase in a contribution to the Tri-City Area United Fund from local area employees of Shell Oil Co., being presented by Steve Saitich (center) to Gerhard Ansel (right), chairman of the Industrial Employees Division. Also present for the ceremony yesterday was Vincent Lohman, chairman of the manufacturing employee section of the drive. The donation put Ansel's division over its \$160,000 quota.

'Y' Youth Dept. Sets Schedule for Holidays

The YMCA will hold a Teen Town dance from 8:30 to 11:30 p.m. today as part of a special holiday schedule of the youth department.

The youth department will have an open lobby from 11 a.m. to 7 p.m. Friday and from 11 a.m. to 4 p.m. Saturday, with swim classes Friday afternoon and a billiards tourney from 2 to 4 p.m. Saturday.

The lobby will be open from 11 a.m. to 7 p.m. Tuesday, with a scavenger hunt from 2 to 4 p.m. among usual events. Registrations for special events will be accepted at the youth office beginning Friday.

that in December 1947 the council approved \$283 expenses for the month for Moerlien, who was mayor at that time. Moerlien later said he had made several trips in connection with city bus accounting was presented. Partney inquired that he had heard his allowance would be turned down after he had voted against a \$2000 a-month allowance for Township Assessor James Barton.

The mayor added that he had the only recently determined that aldermanic expense allowances were illegal and that was why he refused to sign the November checks. He added that he went back through records and found

suffer a disproportionate increase.

A multiplying figure is certified each year to Illinois counties by the department of revenue to bring property valuations in line with what the state department considers is a 100% fair cash value figure. Nearly ten years ago, Madison county had a multiplier of 7.0, which was reduced to 1.6 in 1959 after an intensive upgrading of assessments throughout the county.

Landolt said at the present time Nameki and Choutout are the only townships indicating a sizeable under-assessment. He said Granite City and Venice townships, as well as Alton, "appear to be in line" with state revenue department ratio requirements. He said no other letters similar to those sent to Briggs and Troeckler have been sent out "at this time."

Sues City for \$10,000

Mrs. Daisy L. Wright of Granite City filed suit for \$10,000 and costs against the city of Granite City this week in circuit court at Edwardsville. The complaint claims she was injured when she fell over a broken curb last Aug. 30 at 21st street and Niedringhaus avenue.

New Ward Map Goes to Council

A proposal for revamping the city's eight wards to equalize population as closely as possible was presented to Granite City council members Monday night by Alderman Rutledge.

Rutledge said the plan had been approved by six of the seven committee members, and he called for an ordinance to be prepared to outline the new boundaries.

However, deferral was requested by Moerlien and Bartosiak, who said they wanted to study the maps before any steps were taken.

Rutledge noted that none of the present 16 aldermen would be unseated by the redistricting. The only non-conformance with township precincts was for the 2300 block of State street and Edison avenue, where the two Second Ward aldermen, Whitmer and Bartosiak, live back-to-back.

The population range by wards would be a low figure of 4715 and a top figure of 6867. Ward number designations were not made.

Gehlert Agency to Join Steele-Kunemann Firm

The Gehlert Agency will be associated with Charles A. Meyer and Everett G. Steele of the Steele-Kunemann Agency, 1318 Niedringhaus avenue, starting Jan. 1, it was announced today.

Alfred H. Gehlert, who has been a special agent for the John Hancock Insurance Co. for over 35 years, has operated the Gehlert Agency, assisted by Mrs. Gehlert, since May 1, 1946, when the ytook over the Louis Fresen Agency, 1308 Niedringhaus.

The Gehlerts, who are lifelong residents here (Mrs. Gehlert is the former Blanch Bunte), will continue to serve their customers from the Steele-Kunemann Agency office.

Other staffers at the Steele-Kunemann Agency, which was established in 1913, are Clarence Boettger, Mrs. Geraldine Ray, Mrs. Lois Winter and Mrs. Margaret Studebaker.

Damaged on Parking Lot

A parked car was damaged on the Steele-Kunemann Agency parking lot between 7 a.m. and 3:30 p.m. Tuesday, the owner, Gary L. Goides, of 2722 Sunset drive, told police.

Students May Apply For Park Summer Jobs

Applications for summer employment with the Granite City park district may be obtained at the Wilson Park office, or at Skott's card shop on Niedringhaus avenue, Harold Brown, park superintendent, said today. About 100 job openings will be available, starting June 1.

College students home for Christmas who are interested in joining the park recreational staff for the summer months together with older persons desiring employment as park policemen and maintenance workers, will be interviewed from 9 a.m. to 4 p.m. Tuesday through Friday at the park office.

Those applying for summer positions are required to be residents of the Granite City park district and 18 years of age or older. Although most jobs will start in early June, Brown said, a number of maintenance workers will be required to begin about March 15.

Registration Deadline For SAT is Saturday

Registration deadline for the Scholastic Aptitude Test for college bound seniors at Granite City high school is Saturday. The tests will be given on Jan. 14. A registration fee of \$5 will be charged, and an extra \$2.50 will be assessed for late registrations.

The American College Testing program will be given to registered students on Feb. 18. The ACT test is required by all state universities in Illinois. Registration deadline is Jan. 28, and the fee is \$4.50.

Firefighters' Holiday Poem For Safety at Christmas

Firefighters in the area have taken to reciting a new version of 'Twas the Night Before Christmas to stress safety and fire prevention during the holidays to Quad-Cityans.

Granite City Assistant Fire Chief Curtis Donley came across a copy of it, and is making a distribution.

The firefighters' holiday poem follows:

'Twas the night before Christmas and all through the house, Not a creature was stirring, not even a mouse.

When down through the chimney all covered with soot,

Came the 'Spirit of Fire'—an ugly galoot.

His eyes glowed like embers, his features were stern,

As he looked all around for something to burn.

What he saw made him grumble, his anger grew higher,

For there wasn't a thing that would start a good fire.

No door had been blocked by the big Christmas tree;

So the ugly galoot was so mad he could bust

As he climbed up the chimney in utter disgust.

For the folks in this home had paid close attention

To all of the rules of good "Fire Prevention."

It stood in the corner, leaving passageways free.

The lights that glowed brightly for Betty and Tim

Had been hung with precaution so none touched a limb.

All the wiring was new, not a break could be seen.

And wet sand at its base kept the tree nice and green.

The tree have been trimmed by a mother insistent

That all the ornaments used should be fire resistant.

And mother had known all the things to avoid.

Like cotton and paper and plain celluloid.

Rock wool, metal icicles and trinkets of glass

Gave such life to the tree; it really had class.

And would you believe it, right next to the tree

Was a suitable box for holding debris!

A place to throw wrappings of paper and string

From all of the gifts that Santa might bring.

So the ugly galoot was so mad he could bust

As he climbed up the chimney in utter disgust.

For the folks in this home had paid close attention

To all of the rules of good "Fire Prevention."

Richard Horton, 4214 Kirkpatrick Homes, reported that someone broke the front window of his home at 7 p.m. Monday.

City's New Ladder Truck To Arrive by Next Spring

The federal government's need for brass is delaying delivery of Granite City's new 88-foot aerial ladder truck for the fire department, it was reported to the council Monday night by Alderman Ford Johnson, chairman of the council's Fire and Water committee.

The truck now is scheduled for delivery late next February or early March, according to information received Monday from Seagraves Fire Apparatus Co. at Clintonville, Wisc. The firm was awarded the contract last February on a bid of \$2,964. Under the original order, the truck was to be ready within 180 days. Its purchase is being financed with \$24,000 received by the city from Granite City

Steel Co. in exchange for streets and alleys in the behind-the-mill area where the steel mill is locating its multi-million dollar basic oxygen steelmaking furnaces.

Discussing the franchise talks between the city and officials of Drive, North Wilson Park drive and at Maryville road and O'Hare avenue were approved.

Requests for fire hydrant installations at West Wilson Park drive, North Wilson Park drive and at Maryville road and O'Hare avenue were approved.

No Decisions
Investigations may bring out a few unknown facts, but if they were all placed end to end they never reach a conclusion.

Funeral Monday for John Svaglic, 80

Funeral services were held Monday for John Svaglic, 80, of 1312 Grand avenue, Madison, who died Friday, at St. Elizabeth Hospital following a four-month illness. He was a retired employee of General Steel Industries.

Surviving are his wife, Mrs. daughters Vera (Buban) Svaglic; two daughters, Mrs. Stanley (Virginia) Marusic, St. Louis and Mrs. George (Helen) Franch of Madison; one brother, Matt Svaglic of Madison; three grandchildren and one great-grandchild.

5-Day Water Safety Course Will Begin Monday at YMCA

A five-day Red Cross water safety instructors course will start at 9 a.m. Monday, at the YMCA pool. It was announced to from 3 a.m. to noon and 1 to 4 p.m. Monday through Friday, Dec. 30, the director said.

Admitting the instruction program coincides with a busy season, Jesse explained, "We hope that interested college students home for the holidays will take advantage of this opportunity to acquire their instructor's certificate. This particular type of course is offered only on an infrequent basis," he commented.

About eight persons have registered so far, Jesse said, adding that plans are being made to recruit volunteers from those participating to receive additional instruction, qualifying them as specialized swim teachers for handicapped youngsters.

With the cooperation of the Granite City school district and the YMCA, the initial swim program for handicapped students is scheduled to get underway on Jan. 23, Jesse announced.

Further information relating to the instructors' course may be obtained by calling Jesse at the YMCA, TR 6-7206, or the Red Cross chapter office, GL 2-7184.

State Coal Production 5,736,435 Tons in Nov.

Coal production from 68 Illinois mines totaled 5,736,435 tons in November, L. Leon Ruff, director of the Illinois Department of Mines and Minerals, reported this week.

This tonnage is an increase over the 5,268,833 tons mined during November 1965 and a decrease from the 5,789,682 tons mined in October 1966.

Three mines in Perry county reported the highest November production, 722,413 tons, by 459 men working an average of 23 shifts. This is a decrease of 19,821 tons from the 742,234 tons taken out of the three mines in the county the previous month, and 138,561 tons more than the November 1965 production of 633,852 tons.

Fulton county, with eight mines in operation, reported a production of 748,538 tons in November. During the month, 912 men worked an average of 23 shifts. Production was up 13,397 tons from October and up 1894 tons from November 1965.

Four mines in Franklin county reported 691,019 tons. This compares with 745,191 tons taken out of four mines in October and 568,380 tons from four mines in November 1965. An average of 35 shifts was worked by 1388 men last month in Franklin County.

In Williamson county 486,372 tons were mined by 1203 men working an average of 27 shifts in 14 mines.

St. Clair county ranked fifth in November production with three mines reporting 496,325 tons mined by 369 men working 31 shifts.

The department reported a total of 8202 miners working during November. Production was from 37 strip mines and 31 underground operations. One fatality and 62 non-fatal accidents were reported in November.

Marine Bush in Vietnam

Marine Pfc. Arvin A. Bush, son of Mr. and Mrs. J. Bush of 2034 Hildebrand avenue, Madison, is serving as a member of "C" Company, Second Battalion, Fifth Marine Regiment, Third Marine Division, Dong Ha, Vietnam.

GC Shows Accounts in Red-But Has Money

Deficits in five accounts of the Granite City general fund and in two of the city's special funds were reported to the city council Monday night by City Treasurer E. R. "Pat" Rich. The November report lists a balance of \$229,706 in the general fund and \$801,549 in the special funds as of Nov. 30.

Although deficits in the general fund amount to \$81,149, and in the special funds total \$61,976, the city has \$732,692 in balances in three funds from which transfers can be made to wipe out the deficits in other funds. The fiscal year is in its eighth month. Largest deficit in the general fund has developed in the police department account, amounting to \$42,590. Income in the account since the beginning of the fiscal year last May 1 totals \$159,810, but disbursements total \$198,701 for the same period. Other general fund deficits are of a minor nature. These include \$1653 in the animal shelter account, \$6646 in the contingent fund, \$1021 in the city planning account, and \$8879 in the school crossing guards account.

GCHS Vocal Group Performs At Kiwanis Christmas Party

A performance of seasonal music by a select 16-member group of Granite City high school vocal students highlighted the annual Christmas party of the Granite City Kiwanis Club, Monday evening at the Rose Bowl.

The occasion also served to honor the wives of club members who were presented gifts by their husbands. Among the guests were George and Thelma Chapman, Paul and Mary Lou Worthen and Warren and Helen Simpkins.

Dinner tables were appointed with Christmas candles and evergreens and a centerpiece of red and white carnations and holiday greenery, which was presented to Mrs. Herbert Schan- not as a special award.

Peter F. Jellen, Kiwanis president, was in charge of a brief business session and announced an inter-club meeting with the East St. Louis Kiwanis on Thursday, Dec. 29, will replace next week's regular meeting. Melvin T. Gillette, vice-president and pro-

gram chairman, introduced the guests, while Mrs. Jellen and Mrs. Gillette were responsible for the table decorations.

Prior to the musical program, Warren Simpkins, Granite City high school vocal music director, explained the student performers had been selected for their ability to represent the entire music department in making various appearances during the holiday season.

Soloists included Randy Legate, who sang "Christ Came to Bethlehem," and Mike Farrell, "Sweet Little Jesus Boy." Piano accompaniment was provided by Janet Young.

Other members of the choral group were Dennis Myracle, David Schwendemann, Terry Gage, Gary Reed, Jerry Doyle, Janice Scher, Linda Green, Linda Hamilton, Pat Young, Mary Lou Clark, Alice Ralls, Cindy Settle-moir and Sharon Bowman.

Seek Use of Venice Police Firing Range

The police committee of the Venice city council has under study a request by the Granite City Pistol Team for rental use of the Venice police department firing range in the basement of the city street department garage.

Earl Kleinschmidt, a member of the gun club, requested the city council grant permission for use of the range one night a week, preferably on Thursday, for club shooting matches. The team formerly met at the Granite City firing range which has been eliminated by construction of Federal Aid Route 151.

Kleinschmidt said the team has eight members who paid a rental of \$10 per month to Granite City for use of the firing range. The Venice police committee will discuss the matter with Police Chief Frank DeWitt and make a recommendation to the next meeting of the Venice city council.

Moss' Obtain Charter For Finance Company

A corporation charter has been issued to Gerald Moss and Nora Lee Moss by Secretary of State Paul Powell to operate the G. B. Finance Co. at 1601 Market street, Madison.

It authorizes issuance of 3000 shares of common stock with a par value of \$100 and enables the firm to lend money and negotiate loans, to draw, accept, endorse, buy, sell and deliver promissory notes, bonds, debentures, coupons and other instruments and securities. Correspondent is Randall Robertson, Granite City attorney.

THOUGHTS AT CHRISTMAS

To the Editor:

As we near the day set aside to celebrate the birth of our Christ child, we look back with a word of thanksgiving to the past and a word of hope to the future. We look back with a word of thanksgiving to the past and a word of hope to the future. We look back with a word of thanksgiving to the past and a word of hope to the future.

As we sing hymns of peace on earth, good will toward all men, we know the realization that only as man submits to the will of God can peace come to the individual and to the world at large.

As we sing hymns of peace on earth, good will toward all men, we know the realization that only as man submits to the will of God can peace come to the individual and to the world at large.

As we sing hymns of peace on earth, good will toward all men, we know the realization that only as man submits to the will of God can peace come to the individual and to the world at large.

Costly Duplication of Welfare Agency Programs Should Be Avoided by Community

The proposed Office of Economic Opportunity neighborhood service centers appear at first glance to be expensive duplications of existing welfare agency programs.

Local social services are not perfect but they do perform much good work with a minimum of waste. Operating costs are kept low, with every dollar possible devoted to the health and character-building programs.

If there is any bonafide criticism of such agencies it is that they do not spend enough, and they are the first to admit it. Of course, with the current United Fund drive still short of its goal, it is understandable that extreme care is exercised in expanding agency budgets.

From this standpoint, a case possibly could be made for injecting more money into some of the programs, even tax money if all other possible sources were explored and found inadequate. But the OEO proposal would not provide direct help. It would "coordinate" what is currently being done, at the considerable cost of setting up and equipping new facilities and hiring new administrative and clerical staffs.

The federal proposal apparently assumes that voluntary welfare agencies are too inefficient or too unwilling to deal with hard-core poverty. It implies that existing OEO administrators, but little else in the way of tangible help, supposed defects in what is now being accomplished could be magically solved.

Rather than being improved, UF agency services actually could be impaired because staff members would be bowdled on a part-time basis to help operate the new centers.

At a time when Uncle Sam is studying elimination or curtailment of anti-poverty activities, such a local expansion appears unlikely to be funded. Even more important, it seems to offer fewer benefits than drawbacks to the Quad-Cities and Madison county.

Joy of Christmas Season
Based on Faith and Love

"And she gave birth to her first-born son and wrapped him in swaddling cloths, and laid him in a manger, because there was no place for them in the inn."

Christmas again is at hand. Accompanying the religious significance of the birthday of Jesus is a time of reflection in which men experience their greatest joys and sorrows.

Quadrants of today, different in many ways and yet much like the people of Bethlehem nearly twenty centuries ago, are reminded by the continuing cycle of birth, death and rebirth, the nature of life. Civilization goes on, but each of us in this life has but a few years in which to carry out his deeds of good or evil.

The Christmas story has had a lasting effect on mankind, as shown by the record of Christianity and the impact of the Christmas holiday. It is not given to many men to profoundly affect the course of history in even a fraction of this manner, but each of us has it in his power to brighten the lives of friends and family acquaintances.

The Christmas story is old and yet can be made to live anew by adopting the concepts of faith, love and hope. Surely there is the meaning of Christmas for universal acceptance of such principles would bring "glory to God in the highest, and on earth peace, goodwill among men."

They are wild starlings equipped with brightly colored wing tags. The red, orange, green and white tags have been placed on hundreds of starlings so conservationalists can learn the feeding range of summer flocks, their roosting behavior and their flight patterns.

Different colored tags have been used to indicate the age of the birds at the time they were banded.

The tags do not harm the birds nor interfere with their normal behavior. And since the tags are brightly colored, the birds can be seen at long distances.

This study is part of a larger project to control the damage which starlings cause to crops. While the study is centered in Hector, N. Y., past studies have indicated that starlings cause damage to their south, some traveling as far as Tennessee and Louisiana.

Help is needed in tracking the birds. Starlings are very gregarious, their whereabouts can be sent to Starling Control, Department of Conservation, Cornell University, Ithaca, N. Y. 14850. The report should include the date, time and place of the sighting, color of the wing tag and the name and address of the observer.

Engelke Attends Farm Bureau Meeting

Wilbert Engelke, an Illinois Agricultural Association (State Farm Bureau) director, was among Madison County Farm Bureau leaders who attended a delegate report meeting in Salem, Ill., Monday. William J. Kuhfuss, president of the IAA was chairman of the meeting. Reports of the IAA delegates and Farm Bureau leaders, as well as action of the American Farm Bureau Federation's delegates were given and the annual meeting held in Chicago in mid-November was discussed. Local representatives also discussed delegate action and methods at the annual meeting held in Las Vegas earlier in the month.

Gas Furnace Explodes

A furnace exploded in the basement at the six-room frame home of Edward Waynick, 2119 Benton street, at 7:25 a.m. Tuesday, firemen reported. It blew out the furnace door and the gas burner. Damage was estimated at \$60. Firemen were at the scene about 30 minutes.

Lollipop Confections For GC Aldermen

Lollipops were the refreshment provided for Monday night's Granite City council members by Alderman Whitmer, who usually provides hard candy refreshments at the meetings.

The small lollipops with rope "sticks" were munched throughout the three-hour session by most of the aldermen, who carefully removed the sticks before crunching them.

Bridge Rail Payments

The city of Venice has authorized payment of \$89,502 to the Alberici Construction Co. of St. Louis and \$703 to Hanley & Hanover engineers for work and services in repair and replacement of railings on McKinley bridge. The work is now near completion. The payments are to be made out of the bridge repair and improvement fund.

Sewer Plant Open House Scheduled for Jan. 8-9

An open house for Granite Cityans to visit the city's million-dollar sewage treatment plant at the Granite City Army Depot is being scheduled for two days, it was announced at Monday night's council session.

The dates are Sunday and Monday, Jan. 8 and 9, with the hours from noon until 5 p.m., according to Supt. John Hildebrand.

Alderman Charles Moerlien said further details will be announced as the arrangements are completed.

Moerlien called for delay of a payment of \$8761 to Nelson Construction Co., contractor for the plant, pending a final inspection and acceptance of the plant by the city.

Mayor Parney advised the committee chairman that the federal government was holding up payment of \$122,000 of the federal grant for the construction until the city accepts the plants and files the necessary

forms. Moerlien said all should be in readiness by next week's meeting.

The chairman also reported that the pollution plant construction fund, after disbursements of \$1,572,275, has a \$2682 balance; while in the operation fund, the current balance is \$37,559. Disbursements from the operation account amount to \$26,051, including \$13,044 for salaries. Fee collections to date total \$63,620.

HOME NURSING POINTERS are provided by Mrs. Catherine Pisel, St. Elizabeth Hospital's director of volunteers, to members of Girl Scout Cadette Troop 231 who recently concluded a four-part instruction program at the local hospital.

Girl Scout Cadettes Learn Home Nursing Techniques

Procedures in making a comfortable bed for patients bedfast at home by improvising with objects commonly found and easily available recently were displayed by Mrs. Catherine Pisel, director of volunteers at St. Elizabeth Hospital, for Girl Scout Cadette Troop 231.

The final demonstration included instruction in improving a back rest for proper body support and other bedside items such as a ventilating screen, door silencer, waste disposal bags and bed jackets.

In appreciation of the hospital's cooperation in the project, the Cadettes made plans to present books of cartoons, compiled by girls, sometime this week, together with a certificate to the hospital staff.

An appropriation of \$20,000 in motor fuel tax funds for maintenance of Venice streets designated as arterial highways during the 1967 year has been set up by the city and submitted to the Illinois State Highway Department for approval.

The appropriation is a routine action taken each year to provide funds for maintenance of streets eligible for use of motor fuel tax monies.

A new 1967 agreement for payment of engineering fees to its consulting firm of Sheppard, Morgan & Schwaab, also has been drawn by Venice city officials.

The agreement provides fees of 3.3% for engineering services on projects of \$2500 to \$7500; 4.8% on projects of \$7501 to \$10,000; 4.25% on projects of \$10,001 to \$15,000; 4% on \$15,001 to \$20,000 and 3.75% on projects over \$20,000.

Venice Appropriates 1967 MFT Allotment

Members taking part in the course included Connie Cae, Pamela Thorne, Brenda Pasley, Diane Pecurka, Vickie Georger, Nancy Ray, Laura Smith, Debbie Smith, Stephanie Miller, Laura Harsh, Mary Beth Gordon, Peggy Chalupny, Marcia Pauliett, Paula Burgenner, Debbie Felckia and Nina Tesague.

Elks, Elkettes Give Party for Children

The party given by the Elks Lodge and Elkettes for underprivileged children this week in the club rooms was one of the many holiday season events taking place over the weekend.

About 50 children were present. The Elkettes Kitchen Band, dressed as dolls and clowns, entertained the young guests, as did a magician from St. Louis and Mr. and Mrs. Max Merz jr., in clown attire. There was carol singing and a chipmunk pantomime.

Railroons, candy and gifts were distributed by Santa Claus and refreshments of hot dogs and soda were served.

Madison Man Assigned To Pleiku, Vietnam

Army Specialist Fifth Class John E. Hansen recently was assigned to Pleiku Sub Area Command headquarters at Pleiku, Vietnam. He is the son of Mrs. Vincent Baczewski, 1013 Reynolds street, Madison.

A personnel specialist in the command, SP5 Hansen entered the Army in May 1962, following his graduation from Madison high school. The soldier was last stationed in Germany.

Keep Christmas Trees Safe, Fresh and Fragrant

A way to keep a Christmas tree safe, fresh and fragrant is to water it. Quad-City area firemen have advised.

It is known that a tree kept in water will remain fresh, while claims that mixtures of corn syrup, household bleach, horticultural iron and other materials will do the job have not been substantiated, firemen point out.

A moist tree will not burn, and if a fresh tree is ignited, the fire will sputter and go out. Firemen advised the following steps in assuring safety:

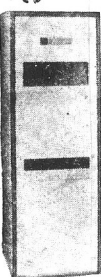

Check daily to see that the water level is above the cut surface. Firemen added that it is especially important to keep pine trees in water as they retain their needles longer than other evergreens. Short-needled trees as fir and spruce lose their needles when dry and reduce the fire hazard.

the Christmas Story

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, 'Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.' And suddenly there was with the angel a multitude of the heavenly host praising God and saying, 'Glory to God in the highest, and on earth, peace, good will toward men.'

In Memoriam 33
In loving memory of our dear son and brother WILLIAM VICTOR, who passed away December 20, 1966. Since you went away, we are so lonely today, we never know when our time will come. We must be ready have our work done. Telling others we are in heaven and waiting—to enter in. I miss you so much—MOTHER 33-12-22

In loving memory of my son HAROLD ROBERTS. Another Christmas has come, and a lonely one I am thankful for. In that sense, I am thankful for peace and love, with your Saviour and loved ones above, my many times, I use to say, my son will be coming today. I never thought someday when I would lose—Heaven would gain. We never know when our time will come. We must be ready have our work done. Telling others we are in heaven and waiting—to enter in. I miss you so much—MOTHER 33-12-22

Double Military Rites For Father and Son

Double military funeral services were held at 1 p.m. today in Cahokia for Lee Roy Watts, 43, of 123 St. Dorothy drive, Cahokia, and his only son, Marine Cpl. Thomas Brian Watts, 20. They were the brother and nephew of Mrs. Daniel (Marie) Kelley, 2012 Buxton avenue.

Mr. Watts died Monday at Vanderbilt Hospital, Nashville, Tenn., where he had been taken Saturday after suffering a stroke near Cookeville, Tenn., while en route home from Portsmouth, Va. He and his wife, Mrs. Kathleen Watts, a native of England, accompanied by a Marine Corps escort were returning to Cahokia from the Portsmouth Naval Hospital, where his son had died Thursday of injuries received in an automobile accident three weeks earlier.

Marine Watts, who had returned from active duty in Vietnam in August, had joined the Marine Corps three years ago. He was stationed at Camp Lejeune, N.C., at the time of the automobile crash and had been flown to Portsmouth for extensive surgery.

Mr. Watts, a veteran of world war II and a member of Post 8475, Veterans of Foreign Wars, was employed as a dispatcher with Acme Fast Freight Co. He was born in Oklahoma and had lived in East St. Louis prior to moving to Cahokia nine years ago. His son was born in England.

Burial of father and son was at National Cemetery, Jefferson Barracks, Mo.

Grand Jury to Report On Crimes Next Week

The Madison county grand jury recalled to consider criminal cases on Monday and Tuesday, is expected to make its report next week, according to Leon Scroggins, acting state's attorney.

The panel heard evidence on felony cases arising since it last reported on Oct. 10. Several armed robbery, burglary and theft cases in the Quad-City area were expected to be included.
